## ARTICLE II THE WIFIA LOAN

### Section 3. WIFIA Loans Under the Master Program.

(a) Subject to the terms and conditions set forth in this Agreement and, with respect to each WIFIA Loan requested pursuant to the terms hereof, the terms and conditions set forth in the relevant WIFIA Loan Agreement (and Project Term Sheet related thereto), the Borrower may request WIFIA Loans for the Projects under the Master Program from time to time during the Master Availability Period in an aggregate principal amount for (i) the Master Program, not to exceed the Aggregate Master Program Amount and (ii) each Project component, not to exceed the principal amount set forth in **Schedule II** (*Master Program Budget*) for such Project component (such principal amount, the “**WIFIA Loan Commitment Amount**”); provided that (x) the aggregate WIFIA Loan Commitment Amount at any time shall not exceed the Aggregate Master Program Amount and (y) the availability of the WIFIA Loan for each Project shall be subject to the availability of budgetary authority at the time the WIFIA Loan Request for such WIFIA Loan is made. Such availability of budgetary authority shall be determined by the WIFIA Lender in accordance with the Act and applicable law. WIFIA Loan proceeds to be drawn shall be disbursed from time to time to pay for Eligible Project Costs for the applicable Project in accordance with Section 4 (*Disbursement Conditions*), Section 11(c) (*Conditions Precedent – Conditions Precedent to Disbursements*), and the terms of the applicable WIFIA Loan Agreement related thereto.

(b) Prior to the execution of the relevant WIFIA Loan Agreement, (i) any Project component included in **Schedule I** (*Master Program*) and **Schedule II** (*Master Program Budget*) may be replaced with one or more other Project components and (ii) any WIFIA Loan Commitment Amount included in **Schedule II** (*Master Program Budget*) may be adjusted as necessary, so long as, following such adjustment, (x) the maximum principal amount of the relevant WIFIA Loan, together with the amount of any other credit assistance provided under the Act to the Borrower, would not exceed forty-nine percent (49%) of reasonably anticipated Eligible Project Costs for such Project and (y) the aggregate WIFIA Loan Commitment Amount does not exceed the Aggregate Master Program Amount. In connection with any such modification, the Borrower shall amend **Schedule I** (*Master Program*) and **Schedule II** (*Master Program Budget*)

by submitting a revised version thereof to the WIFIA Lender no later than thirty (30) days prior to the proposed effective date of such modification, together with a detailed explanation of the reasons therefor. Each such revised schedule shall become effective upon the WIFIA Lender's approval thereof, which approval shall be granted in the WIFIA Lender's sole discretion.

(c) From time to time after the Effective Date but in any event (x) not more than once every sixty (60) days and (y) no later than one hundred eighty (180) days prior to the end of the Master Availability Period, the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, may, with respect to each relevant Project, request that the WIFIA Lender enter into a WIFIA Loan Agreement and related WIFIA Loan Documents in respect of such Project by delivering to the WIFIA Lender a written notice in the form of **Exhibit D** (*Form of WIFIA Loan Request*) (a "**WIFIA Loan Request**"), which shall specify the Project components to which such WIFIA Loan Request relates, together with (i) a description of such Project components, (ii) the most recent Updated Financial Model/Plan delivered to the WIFIA Lender in accordance with Section 20(a) (*Reporting Requirements of the District – Updated Financial Model/Plan*), and (iii) such additional information relating to such Project as may be requested by the WIFIA Lender; provided that a WIFIA Loan Request shall not be required in connection with the initial WIFIA Loan Agreement; provided further that no more than five (5) WIFIA Loan Requests shall be delivered during the Master Availability Period. For each WIFIA Loan, the WIFIA Lender and the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, shall, subject to the terms and conditions set forth herein and the applicable WIFIA Loan Agreement, promptly and in good faith, negotiate, finalize and enter into the Project Term Sheet, WIFIA Loan Agreement and the other WIFIA Loan Documents related to such Project.

#### Section 4. Disbursement Conditions.

(a) Pursuant to each WIFIA IPA, the Borrower shall appoint the District as its agent to request funds from time to time under this Agreement and the WIFIA Loan Agreements, and the District shall accept such appointment and assume all rights, liabilities, duties and responsibilities of the Borrower under this Agreement and the WIFIA Loan Agreements regarding the requisition of funds from time to time hereunder and thereunder. WIFIA Loan proceeds shall be disbursed solely in respect of Eligible Project Costs paid or incurred and approved for payment by or on behalf of the Borrower in connection with the applicable Project, including for the purpose of paying or redeeming, in whole or in part, amounts owed by the District under an Interim Financing the proceeds of which were applied to pay Eligible Project Costs. If the Borrower intends to utilize the WIFIA Loan proceeds to make progress payments for construction work performed under the Construction Contracts with respect to such Project, the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, shall demonstrate to the satisfaction of the WIFIA Lender that such progress payments are commensurate with the cost of the work that has been completed. Each disbursement of the applicable WIFIA Loan shall be made pursuant to a requisition and certification (a "**Requisition**") in the form set forth in **Appendix One** (*Form of Requisition*) to **Exhibit B** (*Requisition Procedures*), along with all documentation and other information required thereby, submitted by the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, to, and approved by, the WIFIA Lender, all in accordance with the procedures of **Exhibit B** (*Requisition Procedures*) and subject to the requirements of this Section 4 and the conditions set forth in Section 11(c) (*Conditions Precedent – Conditions Precedent to Disbursements*) and Section 11(b) (*Conditions Precedent – Conditions Precedent to Disbursements*) of the applicable

WIFIA Loan Agreement; provided that no disbursements of WIFIA Loan proceeds shall be made after the Final Disbursement Date with respect to such WIFIA Loan.

(b) Each Requisition shall include a certification by the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, certifying as to the following: (i) whether reimbursement or payment is being requested with respect to (A) Eligible Project Costs that have been submitted by it pursuant to Section 20(c)(iii) (*Reporting Requirements of the District – Construction Reporting – Quarterly Certification of Eligible Project Costs*) and approved by the WIFIA Lender pursuant to Section 20(c)(iii) or (B) other Eligible Project Costs incurred by the District, as agent of the Borrower pursuant to such WIFIA IPA; (ii) the amount for which reimbursement or payment is being requested has not been reimbursed or paid by any previous disbursement of WIFIA Loan proceeds; and (iii) to the extent any Eligible Project Costs described in clause (i)(B) above are included in the Requisition, that such Eligible Project Costs have not and will not be submitted by the District for approval pursuant to Section 20(c)(iii).

(c) Subject to this Section 4, with respect to any WIFIA Loan, any scheduled disbursement (as reflected in the applicable WIFIA Loan Disbursement Schedule) of such WIFIA Loan that remains undrawn as of its scheduled date shall automatically be available for the next scheduled disbursement date, up to the Final Disbursement Date, with the effect of automatically updating such WIFIA Loan Disbursement Schedule (and the WIFIA Loan Amortization Schedule for such WIFIA Loan) without need for the WIFIA Lender's approval. The District may also amend such WIFIA Loan Disbursement Schedule by submitting a revised version thereof to the WIFIA Lender no later than thirty (30) days prior to the proposed effective date of such amendment, together with a detailed explanation of the reasons for such revisions. Such revised WIFIA Loan Disbursement Schedule shall become effective upon the WIFIA Lender's approval thereof, which approval shall be deemed granted if the WIFIA Lender has not objected within thirty (30) days from receipt of the revised schedule, and which approval shall have the effect of updating the WIFIA Loan Amortization Schedule for such WIFIA Loan to reflect the updated WIFIA Loan Disbursement Schedule. Notwithstanding the foregoing, the date of the first disbursement of any WIFIA Loan shall not be earlier than the initial date of disbursement for such WIFIA Loan set out in the applicable WIFIA Loan Amortization Schedule as of the applicable WIFIA Loan Agreement Effective Date.

Section 5. Term. The term of each WIFIA Loan shall extend from the applicable WIFIA Loan Agreement Effective Date to the Final Maturity Date of such WIFIA Loan or to such earlier date as all amounts due or to become due to the WIFIA Lender under such WIFIA Loan Agreement have been irrevocably paid in full in immediately available funds.

Section 6. Interest Rate. With respect to each WIFIA Loan, interest will accrue and be computed on each Outstanding WIFIA Loan Balance (as well as on any past due interest) from time to time at the relevant WIFIA Interest Rate on the basis of a three hundred sixty (360) day year of twelve (12) thirty (30)-day months; provided that, upon the occurrence of an Event of Default, the Borrower shall pay interest on the Outstanding WIFIA Loan Balance at the Default Rate, (a) in the case of any Payment Default, from (and including) its due date to (but excluding) the date of actual payment and (b) in the case of any other Event of Default, from (and including) the date of such occurrence to (but excluding) the earlier of the date on which (i) such Event of Default has been cured or waived (if applicable) in accordance with the terms of this Agreement

and the relevant WIFIA Loan Agreement and (ii) the Outstanding WIFIA Loan Balance has been irrevocably paid in full by the Borrower in immediately available funds. For the avoidance of doubt, interest on each WIFIA Loan and each WIFIA Note shall accrue and be payable only on those amounts for which a Requisition has been submitted and funds (or such portion of funds as have been approved by the WIFIA Lender) have been disbursed to the Borrower for use on the relevant Project in accordance with Section 4 (*Disbursement Conditions*).

Section 7. Security and Priority; Flow of Funds.

(a) Pursuant to each WIFIA IPA, as security for the WIFIA Installment Payments under such WIFIA IPA and concurrently with the issuance and delivery of the applicable WIFIA Loan Agreement and corresponding WIFIA Note, the District shall pledge, assign and grant to the Borrower for its benefit Liens on (i) the Water Revenues and all associated amounts on deposit in the Water Revenue Fund (subject to payment of Operation and Maintenance Costs and Senior Obligations as they become due and payable), (ii) the Acquisition Fund and all amounts on deposit in the Acquisition Fund, (iii) the WIFIA Debt Service Account and all amounts on deposit in the WIFIA Debt Service Account and (iv) the WIFIA Reserve Fund and all amounts on deposit in the WIFIA Reserve Fund (collectively, the “**Pledged Collateral**”). The obligation of the District to make the WIFIA Installment Payments under each WIFIA IPA shall (i) be secured by the Liens on the Pledged Collateral, (ii) be subordinate in right of payment and in right of security to the Lien on the Pledged Collateral for the benefit of the Senior Obligations and (iii) be *pari passu* in right of payment and right of security to the Lien on the Pledged Collateral for the benefit of the Parity Obligations, in each case, without the need for any notice to or from any Person, physical delivery, recordation, filing or further act. The obligation of the District to make the WIFIA Installment Payments under each WIFIA IPA constitutes Parity Obligations under this Agreement and “Contracts” under each WIFIA IPA, and each WIFIA IPA constitutes a “Contract” under such WIFIA IPA and a “Subordinate Obligation” under each Senior IPA.

(b) Except (i) for Permitted Liens, or (ii) to the extent otherwise provided in Section 7(a), the Pledged Collateral shall be free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto, that is of equal rank with or senior to the pledge of the Borrower created under the WIFIA Loan Documents for the benefit of the WIFIA Lender, and all organizational, regulatory or other necessary action on the part of the District with respect to the foregoing has been duly and validly taken.

(c) The Borrower hereby unconditionally pledges and assigns to the WIFIA Lender and grants to the WIFIA Lender Liens for its benefit on (i) all of the Borrower’s right, title and interest to receive the Borrower Revenues and (ii) all of the Borrower’s rights to receive amounts from the District from the WIFIA Debt Service Account, the Acquisition Fund and the WIFIA Reserve Fund (including any Reserve Policy, as defined in each WIFIA IPA) and the proceeds thereof, and assigns to the WIFIA Lender all of the Borrower’s rights and remedies to enforce each WIFIA IPA upon an event of default under each such WIFIA IPA, in each case for the purpose of securing (x) the payment of all sums due and owing to the WIFIA Lender under this Agreement and the relevant WIFIA Loan Agreement and (y) the observance, performance and discharge of each agreement, condition, covenant and term of the Borrower and the District under this Agreement and the relevant WIFIA Loan Agreement and of the District under such WIFIA IPA. The District hereby consents to such pledge, assignment and grant. Notwithstanding anything in

this Agreement or any other WIFIA Loan Document to the contrary, the Borrower does not and shall not assign, and the WIFIA Lender does not and shall not assume, any obligation, duty or liability of the Borrower under each WIFIA IPA. Each WIFIA Loan is and shall be secured by the Liens on the Borrower Revenues. The Borrower Revenues shall be free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the Liens with respect to each WIFIA Loan. The WIFIA Debt Service Account shall be free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the Liens with respect to the WIFIA Installment Payments under each WIFIA IPA.

(d) The District shall not use any Pledged Collateral to make any payments or satisfy any obligations other than in accordance with the Flow of Funds, the provisions of this Section 7 and the Related Documents and shall not apply any portion of the Pledged Collateral in contravention of this Agreement or the other Related Documents. The District shall not use any amounts on deposit in the WIFIA Debt Service Account to make any payments or satisfy any obligations other than the payment of WIFIA Debt Service on the Borrower's behalf; provided that, the last Business Day of each District Fiscal Year, the District may transfer to the Water Revenue Fund any amounts on deposit in the WIFIA Debt Service Account that are not needed for such purpose; provided further that any amounts that are transferred from the WIFIA Debt Service Account to the Water Revenue Fund pursuant to this Section 7(d) shall not be double-counted for purposes of calculating any coverage requirement.

(e) The Borrower shall not use any Borrower Revenues to make any payments or satisfy any obligations other than the payment of WIFIA Debt Service and other amounts payable to the WIFIA Lender under this Agreement, the relevant WIFIA Loan Agreement and the relevant WIFIA Note.

(f) All Water Revenues shall, immediately upon receipt thereof, be deposited by the District into the Water Revenue Fund. Amounts deposited in the Water Revenue Fund shall be applied in the order of priority described in, and in accordance with, the Flow of Funds, which includes payment of WIFIA Debt Service in accordance with Section 5.2 (*Allocation of Water Revenues*) of the relevant WIFIA IPA.

(g) Following the acceleration of amounts payable by the Borrower under this Agreement and the relevant WIFIA Loan Agreement or payable by the District under the relevant WIFIA IPA pursuant to Section 21(c) (*Events of Default and Remedies*) or Section 21(d)(vii) (*Events of Default and Remedies*) hereof or Section 21(c) (*Events of Default and Remedies*) of such WIFIA Loan Agreement, amounts deposited in the Water Revenue Fund shall be applied in the order of priority described in, and in accordance with, the Flow of Funds Following Acceleration.

## Section 8. Payment of Principal and Interest.

### (a) Payment of WIFIA Debt Service.

(i) Pursuant to the applicable WIFIA IPA, not later than each Installment Payment Date occurring on or after the applicable Debt Service Payment Commencement Date, the District shall, from moneys in the Water Revenue Fund, transfer to the WIFIA Debt Service

Account for the benefit of the WIFIA Lender the WIFIA Installment Payment under such WIFIA IPA due and payable on the relevant Payment Date. All WIFIA Installment Payments under the applicable WIFIA IPA and any other amounts deposited into the WIFIA Debt Service Account shall be held by the District, as agent of the Borrower pursuant to such WIFIA IPA, in trust for the benefit of the WIFIA Lender until the immediately succeeding Payment Date, whereupon such money shall be applied to the payment of WIFIA Debt Service.

(ii) No WIFIA Debt Service under the applicable WIFIA Loan Agreement shall be due or payable prior to the applicable Debt Service Payment Commencement Date. The Borrower shall pay, or the District, as agent of the Borrower pursuant to the applicable WIFIA IPA, shall transfer from the WIFIA Debt Service Account on the Borrower's behalf, (A) WIFIA Debt Service in the amounts and manner and on the Payment Dates as set forth in the applicable WIFIA Loan Amortization Schedule, as the same may be revised pursuant to Section 8(f) (*Payment of Principal and Interest – Adjustments to WIFIA Loan Amortization Schedule*) and (B) payments of any other amounts on each other date on which payment thereof is required to be made hereunder or under the applicable WIFIA Loan Agreement (including the applicable Final Maturity Date and any date on which payment is due hereunder or thereunder or under the applicable WIFIA Note by reason of the mandatory redemption or prepayment or the acceleration of the maturity of the applicable WIFIA Loan or otherwise); provided that, if any such date is not a Business Day, then payment shall be made on the next Business Day following such date. WIFIA Loan proceeds borrowed and repaid may not be reborrowed.

(iii) Notwithstanding anything herein to the contrary, each Outstanding WIFIA Loan Balance and any accrued interest thereon shall be due and payable in full on the Final Maturity Date of the related WIFIA Loan (or on any earlier date on which the related WIFIA Loan and WIFIA Note are subject to mandatory redemption or prepayment prior to the maturity thereof).

(iv) Any defeasance of the applicable WIFIA Loan in accordance with applicable law shall not be deemed a repayment or prepayment of such WIFIA Loan in full, and each of the Borrower and the District shall comply with all of its respective obligations hereunder and under the other WIFIA Loan Documents (other than with respect to payments of WIFIA Debt Service, which payments shall continue to be made in accordance with the applicable WIFIA Loan Amortization Schedule by the succeeding entity assuming the Borrower's payment obligations), unless otherwise agreed by the WIFIA Lender, until the irrevocable payment in full in immediately available funds by the Borrower of the Outstanding WIFIA Loan Balance with respect to such WIFIA Loan, together with all accrued interest, fees and expenses with respect thereto.

(b) Capitalized Interest. No payment of the principal of or interest on any WIFIA Loan is required to be made during an applicable Capitalized Interest Period. On each applicable Payment Date occurring during an applicable Capitalized Interest Period, and on the day immediately following the end of such Capitalized Interest Period, interest accrued on the applicable WIFIA Loan in the six (6) month period ending immediately prior to such date (or such shorter period if such Capitalized Interest Period ends on a date other than the date immediately prior to an Interest Payment Date) shall be capitalized and added to the relevant Outstanding WIFIA Loan Balance. The accrual of interest on amounts capitalized during an applicable Capitalized Interest Period pursuant to this Section 8(b) shall commence on the date such amounts are added to the relevant Outstanding WIFIA Loan Balance. Within thirty (30) days after the end

of an applicable Capitalized Interest Period, the WIFIA Lender shall give written notice to the Borrower and the District stating the Outstanding WIFIA Loan Balance of the related WIFIA Loan as of the close of business on the last day of such Capitalized Interest Period, which statement thereof shall be deemed conclusive absent manifest error; provided that no failure to give or delay in giving such notice shall affect any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under the applicable WIFIA IPA or any other obligation of the District under this Agreement or under any other WIFIA Loan Document to which the District is a party. Notwithstanding the foregoing, an applicable Capitalized Interest Period shall end immediately upon written notification to the Borrower or the District by the WIFIA Lender that an Event of Default under the relevant WIFIA Loan Agreement has occurred, in which case the provisions of this Section 8(b) shall no longer apply and payments of principal and interest shall be currently due and payable in accordance with the terms hereof and of such WIFIA Loan Agreement and interest shall no longer be capitalized. For purposes of this Section 8(b), an Event of Default under Section 21(b)(v) (*Events of Default and Remedies – Cross Default with Obligation Documents*) shall be deemed to have occurred upon the occurrence of any nonpayment of principal of, interest on or redemption price of any Parity Obligations (other than the WIFIA Loan) or Senior Obligations (as applicable) when due, regardless of whether any holder of the applicable Parity Obligations or Senior Obligations (as applicable), or any legal order, has waived or permitted deferral of any such payment. To the extent that any prepayment of any WIFIA Loan is made during an applicable Capitalized Interest Period, such prepayment shall be applied to the relevant Outstanding WIFIA Loan Balance as provided in Section 9(d) (*Prepayment – General Prepayment Instructions*) and reflected in a revised **Exhibit A** (*WIFIA Loan Amortization Schedule*) to the relevant WIFIA Loan Agreement.

(c) Interest Payments and Interest Only Period.

(i) Interest shall accrue on each WIFIA Loan commencing on the date of the first disbursement of such WIFIA Loan and shall be payable commencing on the applicable Debt Service Payment Commencement Date.

(ii) During an applicable Interest Only Period, the WIFIA Debt Service payable by the Borrower shall consist of one hundred percent (100%) of the amount of interest then due and payable on the relevant Outstanding WIFIA Loan Balance, and no payment of principal will be due and payable.

(d) WIFIA Notes. As evidence of the Borrower's obligation to repay each WIFIA Loan, the Borrower shall issue and deliver to the WIFIA Lender, on or prior to the applicable WIFIA Loan Agreement Effective Date, a WIFIA Note substantially in the form of **Exhibit A** (*Form of WIFIA Note*), having the maximum principal amount (excluding any interest to be capitalized in accordance with the terms hereof and thereof) specified in the WIFIA Loan Agreement for such WIFIA Loan, bearing interest at the applicable WIFIA Interest Rate and having principal and interest payable on the same dates as those set forth in such WIFIA Loan Agreement. Any payment in respect of any WIFIA Note shall be treated as a payment in respect of the corresponding WIFIA Loan and any prepayment of principal in respect of any WIFIA Loan shall be treated as a redemption in respect of the corresponding WIFIA Note.

(e) Manner of Payment. The Borrower hereby assigns all its right and interest in and to the WIFIA Installment Payments under each WIFIA IPA to the WIFIA Lender and directs the District to transfer, on the Borrower's behalf, all amounts on deposit in the WIFIA Debt Service Account to the WIFIA Lender by wire transfer on or before each applicable Payment Date in Dollars and in immediately available funds (without counterclaim, offset or deduction) in accordance with the payment instructions provided by the WIFIA Lender prior to the relevant payment, as may be modified in writing from time to time by the WIFIA Lender; provided that neither the assignment of such rights by the Borrower nor such direction by the Borrower to the District with respect to payments hereunder or under the applicable WIFIA Loan Agreement shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under such WIFIA IPA or other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party.

(f) Adjustments to WIFIA Loan Amortization Schedule.

(i) Each Outstanding WIFIA Loan Balance will be (A) increased on each occasion on which the WIFIA Lender disburses proceeds of the applicable WIFIA Loan under the applicable WIFIA Loan Agreement by the amount of such disbursement of loan proceeds; (B) increased on each occasion on which interest on a WIFIA Loan is capitalized pursuant to the provisions of Section 8(b) (*Payment of Principal and Interest – Capitalized Interest*), by the amount of interest so capitalized; and (C) decreased upon each payment or prepayment of the Outstanding WIFIA Loan Balance for the applicable WIFIA Loan by the amount of principal so paid. The WIFIA Lender may in its discretion at any time and from time to time, or when so requested by the Borrower or the District, advise the Borrower or the District by written notice of the amount of such Outstanding WIFIA Loan Balance as of the date of such notice, and its determination of such amount in any such notice shall be deemed conclusive absent manifest error.

(ii) The WIFIA Lender is hereby authorized to modify any WIFIA Loan Amortization Schedule from time to time, in accordance with the principles set forth below in this Section 8(f), to reflect (A) any change to the Outstanding WIFIA Loan Balance for the applicable WIFIA Loan, (B) any change to the date and amount of any principal or interest due and payable or to become due and payable by the Borrower under this Agreement or the corresponding WIFIA Loan Agreement, (C) any mathematical corrections as the WIFIA Lender may determine are necessary and (D) with the consent of the Borrower (not to be unreasonably withheld), such other information as the WIFIA Lender may determine is necessary for administering such WIFIA Loan or such WIFIA Loan Agreement. Any calculations described above shall be rounded up to the nearest whole cent. Any adjustments or revisions to such WIFIA Loan Amortization Schedule as a result of changes in such Outstanding WIFIA Loan Balance shall be applied to reduce future payments due with respect to such WIFIA Loan in inverse order of maturity, other than prepayments which shall be applied in accordance with Section 9(d) (*Prepayment – General Prepayment Instructions*). Absent manifest error, the WIFIA Lender's determination of such matters as set forth on **Exhibit A** (*WIFIA Loan Amortization Schedule*) attached to each WIFIA Loan Agreement shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under each

WIFIA IPA or other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party. The WIFIA Lender shall provide the Borrower and the District with a copy of such **Exhibit A** (*WIFIA Loan Amortization Schedule*) as revised pursuant to this Section 8(f)(ii), but no failure to provide or delay in providing the Borrower or the District with such copy shall affect any of the obligations of the Borrower or the District under this Agreement or the other WIFIA Loan Documents.

(g) WIFIA Loan Not District Indebtedness. Each WIFIA Loan and each WIFIA Note are limited obligations of the Borrower, payable solely from the Borrower Revenues, and do not constitute a debt of the State or any of its political subdivisions (including the District), except the Borrower. Notwithstanding anything to the contrary set forth in this Agreement, the District is not a borrower with respect to each WIFIA Loan, each WIFIA Note, or this Agreement and the District has no obligation to make any payment or provision for payment of such WIFIA Loan or such WIFIA Note. This Agreement does not constitute a contract between the District and the WIFIA Lender by which the District has incurred an indebtedness.

Section 9. Prepayment.

(a) Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds.

(i) The Borrower, or the District as agent of the Borrower, shall prepay each WIFIA Loan, without prepayment premium, from and in the amount of any prepayments of the WIFIA Installment Payments received from the District pursuant to Section 6.8 (*Insurance*) and Section 6.14 (*Eminent Domain Proceeds*) of the WIFIA IPA for such WIFIA Loan and Section 17(f) (*Affirmative Covenants of the District – Insurance; Eminent Domain; Net Proceeds*). The amount of any such prepayment shall be equal to the portion of the Outstanding WIFIA Loan Balance for such WIFIA Loan required to be prepaid hereunder plus accrued interest thereon to the date of prepayment. All such prepayments shall be paid to the WIFIA Lender by the District as agent of the Borrower substantially concurrently with the receipt of such amount by the Borrower and applied against such Outstanding WIFIA Loan Balance in accordance with Section 9(d) (*Prepayment – General Prepayment Instructions*).

(ii) Mandatory Prepayment Upon or Prior to Issuance or Existence of Senior Project Obligations. The Borrower shall prepay one hundred percent (100%) of any Outstanding WIFIA Loan Balance in full in immediately available funds upon the incurrence or existence of any Senior Project Obligations. Such prepayment shall be made prior to or concurrently with the incurrence, application or existence of such Senior Project Obligations and shall include all accrued and unpaid interest on the amount to be prepaid to the date of prepayment, without prepayment premium, and shall further include payment of all other Obligations in respect of the related WIFIA Loan, including fees and expenses, then due and payable. The Borrower shall provide written notice to the WIFIA Lender not less than thirty (30) days prior to the date on which the Borrower expects to issue any such Senior Project Obligations, and the anticipated date of the proposed mandatory prepayment; provided that the Borrower's failure to deliver such notice shall not diminish, impair or otherwise affect the Borrower's obligation to make such mandatory prepayment as and when the circumstances requiring such mandatory prepayment have occurred.

(b) Optional Prepayments. After the Final Disbursement Date for a WIFIA Loan, the Borrower (or the District as agent of the Borrower) may prepay such WIFIA Loan in whole or in part (and, if in part, the amounts thereof to be prepaid shall be determined by the Borrower; provided that such prepayments shall be in principal amounts of two hundred fifty thousand Dollars \$(250,000) or any integral multiple of one Dollar (\$1.00) in excess thereof), from time to time, but not more than annually, without penalty or premium, by paying to the WIFIA Lender such principal amount of such WIFIA Loan to be prepaid, together with the unpaid interest accrued on the amount of principal so prepaid to the date of such prepayment, which shall be a Payment Date under the applicable WIFIA Loan Agreement unless otherwise agreed by the WIFIA Lender. Each prepayment of a WIFIA Loan pursuant to this Section 9(b) shall be made on such Payment Date and in such principal amount as shall be specified by the Borrower in a written notice delivered to the WIFIA Lender not less than ten (10) days or more than thirty (30) days prior to the date set for prepayment, unless otherwise agreed by the WIFIA Lender. At any time between delivery of such written notice and the applicable optional prepayment, the Borrower may, without penalty or premium, rescind its announced optional prepayment by further written notice to the WIFIA Lender. Anything in this Section 9(b) to the contrary notwithstanding, the failure by the Borrower to make any optional prepayment shall not constitute a breach or default under this Agreement or the applicable WIFIA Loan Agreement.

(c) Borrower's Certificate. Each prepayment pursuant to this Section 9 shall be accompanied by a certificate signed by the Borrower's Authorized Representative identifying the provision of this Agreement pursuant to which such prepayment is being made and containing a calculation in reasonable detail of the amount of such prepayment.

(d) General Prepayment Instructions. Upon the WIFIA Lender's receipt of confirmation that payment in full in immediately available funds of the entire Outstanding WIFIA Loan Balance with respect to any WIFIA Loan and any unpaid interest, fees and expenses with respect thereto has occurred as a result of a mandatory or optional prepayment, the WIFIA Lender shall surrender the corresponding WIFIA Note to the Borrower or its representative by mail in accordance with Section 36 (*Notices*) or as otherwise agreed between the parties hereto. If the Borrower prepays only part of the unpaid balance of principal of any WIFIA Loan, the WIFIA Lender may make a notation on **Exhibit A** (*WIFIA Loan Amortization Schedule*) attached to the applicable WIFIA Loan Agreement, indicating the amount of principal of and interest on such WIFIA Loan then being prepaid. Absent manifest error, the WIFIA Lender's determination of such matters as set forth on such **Exhibit A** (*WIFIA Loan Amortization Schedule*) shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner any payment obligation or other obligation of the Borrower hereunder or under any other WIFIA Loan Document to which the Borrower is a party, or any payment obligation of the District under the WIFIA IPA with respect to such WIFIA Loan or any other obligation of the District hereunder or under any WIFIA Loan Document to which the District is a party. All partial prepayments of principal shall be applied to reduce future payments due on the applicable WIFIA Loan on a pro rata basis. If such funds have not been so paid on the prepayment date, such principal amount of such WIFIA Loan shall continue to bear interest until payment thereof at the rate provided in the applicable WIFIA Loan Agreement.

Section 10. Fees and Expenses.

(a) Fees. The District shall pay, on behalf of the Borrower, to the WIFIA Lender for each WIFIA Loan:

(i) a servicing set-up fee equal to the amount specified in clause (a) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Servicing Set-Up Fee**”), which shall be due and payable within thirty (30) days after receipt of an invoice from the WIFIA Lender with respect thereto (or, if earlier, the first disbursement date of the related WIFIA Loan);

(ii) an annual construction period servicing fee equal to the amount specified in clause (b) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Construction Period Servicing Fee**”), which shall accrue on the first Business Day of the then-current Federal Fiscal Year and shall be due and payable on or prior to each November 15 during the Construction Period under the applicable WIFIA Loan Agreement (including the Federal Fiscal Year during which the applicable Substantial Completion Date occurs); provided that the initial Construction Period Servicing Fee shall be due and payable within thirty (30) days after receipt of an invoice from the WIFIA Lender with respect thereto (or, if earlier, on the first disbursement date of the WIFIA Loan), in an amount pro-rated from the applicable WIFIA Loan Agreement Effective Date through the last day of the then-applicable Federal Fiscal Year; and

(iii) an annual operating period servicing fee equal to the amount specified in clause (c) of Section 10 (*Fees and Expenses*) of the applicable WIFIA Loan Agreement (the “**Operating Period Servicing Fee**”), which shall accrue on the first Business Day of the then-current Federal Fiscal Year and shall be due and payable on or prior to each November 15, beginning with the first November 15 following the end of the Federal Fiscal Year during which the applicable Substantial Completion Date occurs, until (and including) the applicable Final Maturity Date; provided that any Operating Period Servicing Fee due and payable with respect to any Federal Fiscal Year during which such Final Maturity Date occurs shall be equal to the pro-rata monthly portion of the then applicable Operating Period Servicing Fee multiplied by the number of partial or whole months remaining between October 1 and such Final Maturity Date.

(b) The amount of each Servicing Fee (other than any initial pro-rated Servicing Fee, as applicable) shall be adjusted in proportion to the percentage change in CPI for the calendar year immediately preceding the calendar year during which such fee is due. The WIFIA Lender shall notify the District of the amount of each such fee at least thirty (30) days before payment is due, which determination shall be conclusive absent manifest error.

(c) Expenses. The District, on behalf of the Borrower, agrees, whether or not the transactions hereby contemplated shall be consummated, to reimburse the WIFIA Lender on demand from time to time, within thirty (30) days after receipt of any invoice from the WIFIA Lender, for any and all fees, costs, charges, and expenses incurred by it (including the fees, costs, and expenses of its legal counsel, financial advisors, auditors and other consultants and advisors) in connection with the negotiation, preparation, execution, delivery, and performance of this Agreement and the other WIFIA Loan Documents and the transactions hereby and thereby contemplated, including attorneys’ and engineers’ fees and professional costs, including all such fees, costs, and expenses incurred as a result of or in connection with:

(i) the review of each WIFIA Loan Request and the negotiation, preparation, execution, delivery, and performance of each Project Term Sheet, WIFIA Loan Agreement, and the other WIFIA Loan Documents related to the relevant Project;

(ii) the enforcement of or attempt to enforce, or the protection or preservation of any right or claim under, the Liens on the Pledged Collateral or any provision of this Agreement or any other WIFIA Loan Document or the rights of the WIFIA Lender thereunder;

(iii) any amendment, modification, waiver, or consent with respect to this Agreement or any other Related Document; and

(iv) any work-out, restructuring, or similar arrangement of the obligations of the Borrower or the District under this Agreement or the other WIFIA Loan Documents, including during the pendency of any Event of Default; provided that nothing in this Section 10(c) shall obligate the District to pay principal or interest on any WIFIA Loan or WIFIA Note.

(d) The obligations of the District under this Section 10 shall survive the payment or prepayment in full in accordance with Section 8 or Section 9, respectively, of any WIFIA Note, the enforcement of any provision of this Agreement or the other WIFIA Loan Documents, any such amendments, waivers or consents, any Event of Default, and any such workout, restructuring, or similar arrangement.

(d) Non-Contravention. The execution and delivery of the Related Documents to which the Borrower is a party, the consummation of the transactions contemplated by the Related Documents to which the Borrower is a party, and the fulfillment of or compliance with the terms and conditions of the Related Documents to which the Borrower is a party, will not (i) conflict with the Borrower’s Organizational Documents, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time

or both) by the Borrower of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties or assets are otherwise subject or bound, or (iii) result in the creation or imposition of any Lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, other than Permitted Liens.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the Borrower, or of any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the Borrower of the Related Documents to which it is a party, except as have been obtained or made and as are in full force and effect, or (ii) (A) the consummation of any transaction contemplated by any of the Related Documents to which the Borrower is a party, or (B) the fulfillment of or compliance by the Borrower with the terms and conditions of any of the Related Documents to which the Borrower is a party, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. Except as set forth in **Schedule 12(f)** (*Litigation*), there is no action, suit, proceeding or, to the knowledge of the Borrower, any inquiry or investigation, in any case before or by any court or other Governmental Authority pending or, to the knowledge of the Borrower, threatened against or affecting (i) the Water System or the ability of the Borrower to execute, deliver and perform its obligations under the Related Documents to which the Borrower is a party or (ii) the Borrower or the assets, properties or operations of the Borrower, that in any case could reasonably be expected to result in a Borrower Material Adverse Effect.

(g) Security Interests. (i) This Agreement and Section 5451 of the California Government Code establish, and (ii) the Borrower has taken all necessary action to pledge, assign, and grant, in each case in favor of the WIFIA Lender, legal, valid, binding and enforceable Liens on the Borrower Revenues and the Borrower's rights with respect to the WIFIA Debt Service Account purported to be created, pledged, assigned, and granted pursuant to and in accordance with this Agreement, irrespective of whether any Person has notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. Such Liens are in full force and effect and are the only Liens in respect of the Borrower Revenues or the Borrower's rights with respect to the WIFIA Debt Service Account. The Borrower has taken all necessary action to assign to the WIFIA Lender all of its rights (A) to receive the Borrower Revenues, (B) with respect to the WIFIA Debt Service Account and (C) to enforce each WIFIA IPA upon an event of default under such WIFIA IPA without the need for any further act. The Borrower is not in breach of any covenant set forth in Section 15(a) (*Affirmative Covenants of the Borrower – Securing Liens*) or in any other WIFIA Loan Document to which the Borrower is a party with respect to the matters described in Section 15(a) (*Affirmative Covenants of the Borrower – Securing Liens*). All documents and instruments have been recorded or filed for record in such manner and in such places as are required and all other action as is necessary or desirable has been taken to establish a legal, valid, binding, and enforceable Lien on the Borrower Revenues for the benefit of the WIFIA Lender, and all taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of any WIFIA Loan Document or any instruments, certificates

or financing statements in connection with the foregoing, have been paid. Neither the attachment, validity, enforceability, priority or perfection of the security interest in the Borrower Revenues or the Borrower's rights with respect to the WIFIA Debt Service Account is governed by Article 9 of the UCC.

(h) No Debarment. The Borrower has fully complied with its verification obligations under 2 C.F.R. § 180.320 and confirms, based on such verification, that, to its knowledge, neither the Borrower nor any of its principals (as defined in 2 C.F.R. § 180.995 and supplemented by 2 C.F.R. § 1532.995) (i) is debarred, suspended or voluntarily excluded from participation in Government contracts, procurement or non-procurement matters; (ii) is presently indicted for or otherwise criminally or civilly charged by a Governmental Authority with commission of any of the offenses listed in 2 C.F.R. § 180 or 2 C.F.R. § 1532; or (iii) has, within the three (3) year period preceding the Effective Date, (x) been convicted for or had a civil judgment rendered against the Borrower for any of the offenses within such period or (y) had any public transactions (federal, state or local) terminated for cause or default.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the Borrower set forth in this Agreement and the other Related Documents to which the Borrower is a party are true, correct, and complete, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true, correct, and complete as of such earlier date).

(j) Compliance with Laws. The Borrower has complied with all applicable laws, rules, regulations and requirements.

(k) Credit Rating. As of any WIFIA Loan Agreement Effective Date, the corresponding WIFIA Loan has received a public Investment Grade Rating from at least one (1) Nationally Recognized Rating Agency, written evidence of such rating has been provided to the WIFIA Lender, and no such rating has been reduced, withdrawn or suspended.

(l) No Defaults. No Default or Event of Default, and no default or event of default by the Borrower under any other Related Document to which the Borrower is a party, has occurred and is continuing.

(m) Information. Neither the WIFIA Loan Documents to which the Borrower is a party, nor any documents, certificates or statements provided to the WIFIA Lender by representatives of the Borrower in connection with the transactions contemplated thereby, which for purposes of this Section 12(m) shall consist of all documents or statements related to the Application or the Master Program, cash flow schematics, responses to due diligence interrogatories or requests from the WIFIA Lender or its advisors, and documents uploaded to the online WIFIA SharePoint data room made accessible to the Borrower by the WIFIA Lender, to the extent such documents, certificates, statements or other materials relate to the Borrower (including its finances or operations) or the Master Program, contains any untrue statement of any material fact or omits to state any material fact necessary so as to make such WIFIA Loan Documents, documents, certificates, statements or other materials so provided to the WIFIA Lender, in light of the circumstances under which they were made, not misleading.

(n) Insurance. The Borrower is in compliance with all insurance obligations applicable to the Borrower required under each Related Document to which the Borrower is a party as of the date on which this representation and warranty is made. To the extent the Borrower self-insures, the Borrower's self-insurance program is actuarially sound.

(o) No Prohibited Liens. Except for Permitted Liens, the Borrower has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien on the Borrower Revenues or its rights with respect to the WIFIA Debt Service Account. The Borrower Revenues and the Borrower's rights with respect to the WIFIA Debt Service Account are free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the pledge and Lien thereon for the benefit of the WIFIA Lender.

(p) Borrower Financial Statements. Commencing with the Borrower Financial Statements for the Borrower Fiscal Year ended December 31, 2023, each Borrower Financial Statement delivered to the WIFIA Lender by the Borrower pursuant to Section 19(a) (*Reporting Requirements of the Borrower – Annual Financial Statements*) has been, as of such delivery date, prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the Borrower as of the respective dates of the balance sheets included therein and the results of operations of the Borrower for the respective periods covered by the statements of income included therein. Except as reflected in such Borrower Financial Statements, there are no liabilities or obligations of the Borrower of any nature whatsoever for the periods to which such Borrower Financial Statements relate that are required to be disclosed in accordance with GAAP.

(q) Securities Laws. Under existing law, each WIFIA Note may be issued and sold without registration under the Securities Act of 1933, as amended, and any State blue sky laws.

(r) Sovereign Immunity. The Borrower either has no immunity from the jurisdiction of any court of competent jurisdiction or from any legal process therein which could be asserted in any action to enforce the obligations of the Borrower under any of the Related Documents to which the Borrower is a party or the transactions contemplated hereby or thereby, including the obligations of the Borrower hereunder and thereunder, or, to the extent that the Borrower has such immunity, the Borrower has waived such immunity pursuant to Section 15(h) (*Affirmative Covenants of the Borrower – Immunity*).

(s) Taxes; No Federal Debt. The Borrower has paid all applicable taxes and other material taxes and assessments payable by it that have become due (other than those taxes or assessments that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP). The Borrower has no delinquent federal debt (including tax liabilities but excluding any delinquencies that have been resolved with the appropriate federal agency in accordance with the standards of the Debt Collection Improvement Act of 1996).

(t) No Lobbying. Pursuant to 31 U.S.C. § 1352, to the best of the Borrower's knowledge and belief, (i) no Federal appropriated funds have been paid or will be paid, by or on behalf of the Borrower, to any Person for influencing or attempting to influence an officer or employee of an agency, a member (or employee of a member), officer, or employee of the

Congress, in connection with the making of any WIFIA Loan, execution (including amendments or modifications) of any WIFIA Loan Document, or any other federal action under 31 U.S.C. § 1352(a)(2); and (ii) if any funds other than Federal appropriated funds have been paid or will be paid to any Person for influencing or attempting to influence an officer or employee of any agency, a member (or employee of a member), officer, or employee of the Congress in connection with any WIFIA Loan, the Borrower has completed and submitted to the WIFIA Lender Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(u) Existing Water System Indebtedness. As of the Effective Date, except as set forth in **Schedule 12(u)** (*Existing Water System Indebtedness*), no indebtedness of the Borrower with respect to the Water System is outstanding.

(v) Senior Obligations. (i) The only Outstanding Obligations that are senior to the WIFIA Loan are the Senior Obligations and no other Obligations senior to the WIFIA Loan are permitted or will be incurred (except for Refunding Senior Obligations issued in accordance herewith) and (ii) no Senior Project Obligations exist and no proceeds from the Senior Obligations have been used to pay any Total Project Costs.

(w) WIFIA IPA. The execution and delivery of the WIFIA IPA and the consummation of the transactions therein contemplated will not violate any provision of law, any order of any court or other agency of government, or any indenture, material agreement or other instrument to which the Borrower is now a party or by which it or any of its properties or assets is bound, or be in conflict with, result in a breach of or constitute a default (with due notice or the passage of time or both) under any such indenture, agreement or other instrument, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the properties or assets of the Borrower.

Section 13. Representations and Warranties of the District. The District hereby represents and warrants that, as of the Effective Date (other than with respect to the representations and warranties contained in the first sentence of Section 13(m) (*Representations and Warranties of the District – Construction Contracts*) and Section 13(o) (*Representations and Warranties of the District – Credit Rating*)) and as of each WIFIA Loan Agreement Effective Date (other than with respect to the representations and warranties contained in the first sentence of Section 13(w) (*Representations and Warranties of the District – Existing Obligations*)) and, as to each of the representations and warranties other than those (x) contained in Section 13(b) (*Representations and Warranties of the District – Officers' Authorization*), the first sentence of Section 13(f) (*Representations and Warranties of the District – Litigation*), the first sentence of Section 13(m) (*Representations and Warranties of the District – Construction Contracts*), Section 13(o) (*Representations and Warranties of the District – Credit Rating*) and the first sentence of Section 13(w) (*Representations and Warranties of the District – Existing Obligations*) or (y) which expressly relate only to the Borrower, as of each date on which any disbursement of a WIFIA Loan is requested or made:

(a) Organization; Power and Authority. The District (i) is an irrigation district duly organized and validly existing under the laws of the State, (ii) has full legal right, power and authority (A) to do business in the State and to enter into the Related Documents then in existence to which it is a party, (B) to execute and deliver this Agreement and the other Related Documents

to which it is a party, and (C) to carry out and consummate all transactions contemplated hereby and thereby, and (iii) has duly authorized the execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

(b) Officers' Authorization. As of the Effective Date and as of each WIFIA Loan Agreement Effective Date, the officers of the District executing (or that previously executed) the Related Documents (and any certifications or instruments related thereto) to which the District is a party are (or were at the time of such execution) duly and properly in office and fully authorized to execute the same.

(c) Due Execution; Enforceability. Each of the Related Documents in effect as of any date on which this representation and warranty is made, and to which the District is a party has been duly authorized, executed and delivered by the District and constitutes the legal, valid and binding agreement of the District enforceable against it in accordance with its terms, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or similar laws affecting the rights of creditors generally and (ii) is subject to general principles of equity, the exercise of judicial discretion and the limitation on legal remedies against governmental entities imposed by the laws of the State (regardless of whether enforceability is considered in equity or at law).

(d) Non-Contravention. The execution and delivery of the Related Documents to which the District is a party, the consummation of the transactions contemplated by the Related Documents to which the District is a party, and the fulfillment of or compliance with the terms and conditions of the Related Documents to which the District is a party, will not (i) conflict with the District's Organizational Documents, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time or both) by the District of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the District is a party or by which it or its properties or assets are otherwise subject or bound, or (iii) result in the creation or imposition of any Lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the District, other than Permitted Liens.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the District or of any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the District of the Related Documents to which it is a party, except as have been obtained or made and as are in full force and effect, or (ii) (A) the consummation of any transaction contemplated by any of the Related Documents to which the District is a party, or (B) the fulfillment of or compliance by the District with the terms and conditions of any of the Related Documents to which the District is a party, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. Except as set forth in **Schedule 12(f)** (*Litigation*), there is no action, suit, proceeding or, to the knowledge of the District, any inquiry or investigation, in any case

before or by any court or other Governmental Authority pending or, to the knowledge of the District, threatened against or affecting (i) the Water System (including the Master Program) or the ability of the District to execute, deliver and perform its obligations under the Related Documents to which the District is a party or (ii) the District or the assets, properties or operations of the District, that in any case could reasonably be expected to result in a District Material Adverse Effect.

(g) Security Interests. (i) Each WIFIA IPA and Section 5451 of the California Government Code establish, and (ii) the District has taken all necessary action to pledge, assign, and grant, in each case in favor of the Borrower, legal, valid, binding and enforceable Liens on the Pledged Collateral purported to be created, pledged, assigned, and granted pursuant to and in accordance with such WIFIA IPA, irrespective of whether any Person has notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. The Liens on the Pledged Collateral in favor of the Borrower are in full force and effect and are (A) not senior to any other Liens in respect of the Pledged Collateral for the benefit of the Senior Obligations and (B) not *pari passu* with any Liens in respect of the Pledged Collateral other than the Liens on the Pledged Collateral for the benefit of the Parity Obligations. The Lien on the WIFIA Debt Service Account in favor of the Borrower is the only Lien with respect to the WIFIA Debt Service Account. The District is not in breach of any covenant set forth in Section 17(b) (*Affirmative Covenants of the District – Securing Liens*) or in any WIFIA Loan Document to which the District is a party with respect to the matters described in Section 17(b) (*Affirmative Covenants of the District – Securing Liens*). All documents and instruments have been recorded or filed for record in such manner and in such places as are required and all other action as is necessary or desirable has been taken to establish a legal, valid, binding, and enforceable Lien on the Pledged Collateral for the benefit of the Borrower, and all taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of any WIFIA Loan Document or any instruments, certificates or financing statements in connection with the foregoing, have been paid. Neither the attachment, validity, enforceability, priority or perfection of the security interest in the Pledged Collateral granted pursuant to any WIFIA IPA is governed by Article 9 of the UCC.

(h) No Debarment. The District has fully complied with its verification obligations under 2 C.F.R. § 180.320 and confirms, based on such verification, that, to its knowledge, neither the District nor any of its principals (as defined in 2 C.F.R. § 180.995 and supplemented by 2 C.F.R. § 1532.995) is (i) debarred, suspended or voluntarily excluded from participation in Government contracts, procurement or non-procurement matters, (ii) is presently indicted for or otherwise criminally or civilly charged by a Governmental Authority with commission of any of the offenses listed in 2 C.F.R. § 180 or 2 C.F.R. § 1532; or (iii) has, within the three (3) year period preceding the Effective Date, (x) been convicted for or had a civil judgment rendered against the District for any of the offenses within such period or (y) had any public transactions (federal, state or local) terminated for cause or default.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the District set forth in this Agreement and the other Related Documents to which the District is a party are true, correct, and complete, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true, correct, and complete as of such earlier date).

(j) Compliance with Laws.

(i) The District has complied, and has required its contractors and subcontractors at all tiers with respect to the Master Program to comply, with all applicable laws, rules, regulations and requirements, including 40 U.S.C. §§ 3141-3144, 3146, and 3147 (relating to Davis-Bacon Act requirements) (and regulations relating thereto), 33 U.S.C. § 3914 (relating to American iron and steel products), 20 C.F.R. § 180.320 and 20 C.F.R. §1532 (relating to non-debarment), 31 U.S.C. §1352 (relating to non-lobbying), and any applicable Sanctions Laws.

(ii) To ensure such compliance, the District has included in all contracts with respect to the Master Program (A) the contract clauses relating to the Davis-Bacon Act requirements that are set forth in the Code of Federal Regulations, Title 29 Part 5.5 and (B) requirements that its contractors shall (1) comply with all applicable laws, rules, regulations, and requirements set forth in this Section 13(j) and follow applicable federal guidance and (2) incorporate in all subcontracts (and cause all subcontractors to include in lower tier subcontracts) such terms and conditions as are required to be incorporated therein by any applicable laws, rules, regulations and requirements set forth in this Section 13(j) (including with respect to the Davis-Bacon Act requirements).

(iii) The District is in compliance with all laws applicable to the Water System (including the Master Program) relating to environmental, health or safety matters (collectively, the “**Environmental Laws**”).

(k) No Defaults. No Default or Event of Default, and no default or event of default by the District under any other Related Document to which the District is a party, has occurred and is continuing.

(l) Governmental Approvals. All Governmental Approvals required as of the Effective Date and required as of any subsequent date on which this representation is made (or deemed made) for the undertaking and completion by the District, as agent of the Borrower pursuant to each WIFIA IPA, of the Master Program, and for the operation and management thereof, have been obtained or effected and are in full force and effect and there is no basis for, nor proceeding that is pending or threatened that could reasonably be expected to result in, the revocation of or a default under any such Governmental Approval.

(m) Construction Contracts. As of any WIFIA Loan Agreement Effective Date, attached as Schedule 13(m) (*Existing Construction Contracts*) to the applicable WIFIA Loan Agreement is a list of the Existing Construction Contracts. With respect to each Construction Contract executed as of any date on which this representation and warranty is made, such Construction Contract is in full force and effect.

(n) Information. Neither the WIFIA Loan Documents to which the District is a party, nor any documents, certificates or statements provided to the WIFIA Lender by representatives of the District in connection with the transactions contemplated thereby, which for purposes of this Section 13(n) shall consist of all financial models, project budgets, documents or statements related to the Application or the Master Program, cash flow schematics, responses to due diligence interrogatories or requests from the WIFIA Lender or its advisors, and documents uploaded to any

data room made accessible to the District by the WIFIA Lender (or its advisors) or provided to the WIFIA Lender in an electronic written communication, to the extent such documents, certificates, statements or other materials relate to the District (including its finances or operations) or the Master Program, contains any untrue statement of any material fact or omits to state any material fact necessary so as to make such WIFIA Loan Documents, documents, certificates, statements or other materials so provided to the WIFIA Lender, in light of the circumstances under which they were made, not misleading.

(o) Credit Rating. As of any WIFIA Loan Agreement Effective Date, the corresponding WIFIA Loan has received a public Investment Grade Rating from at least one (1) Nationally Recognized Rating Agency, written evidence of such rating has been provided to the WIFIA Lender, and no such rating has been reduced, withdrawn or suspended.

(p) Insurance. The District is in compliance with all insurance obligations required under each Related Document to which the District is a party as of the date on which this representation and warranty is made. To the extent the District self-insures, the District's self-insurance program is actuarially sound.

(q) No Prohibited Liens. Except for Permitted Liens, the District has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien on the Pledged Collateral, the Water System, the Master Program or the properties or assets in relation to the Master Program.

(r) District Financial Statements. Each District Financial Statement delivered to the WIFIA Lender by the District pursuant to Section 20(b) (*Reporting Requirements of the District – Annual Financial Statements*) has been prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the District as of the respective dates of the balance sheets included therein and the results of operations of the District for the respective periods covered by the statements of income included therein. Except as reflected in such District Financial Statements, there are no liabilities or obligations of the District of any nature whatsoever for the periods to which such District Financial Statements relate that are required to be disclosed in accordance with GAAP.

(s) Sufficient Funds. The amount of the WIFIA Loans, when combined with all other funds committed for the design/planning, development, completion and construction of the Projects as set forth under the various sources of funds in the Project Budgets and identified in the Base Case Financial Model, will be sufficient to carry out the Master Program, pay all Total Project Costs anticipated for the design/planning, development, completion and construction of the Projects and achieve Substantial Completion with respect to each Project by the Projected Substantial Completion Date with respect to such Project. The total federal assistance provided to each Project, including the maximum principal amount of the WIFIA Loan for such Project (excluding any interest that is capitalized in accordance with the terms hereof), does not exceed eighty percent (80%) of Total Project Costs for such Project. The Updated Financial Model/Plan most recently delivered to the WIFIA Lender pursuant to Section 20(a) (*Reporting Requirements of the District – Updated Financial Model/Plan*) demonstrates that the projected Water Revenues and Borrower Revenues are sufficient to meet the WIFIA Loan Amortization Schedule for each

Project. The District has developed, and identified adequate revenues to implement, a plan for operating, maintaining, and repairing each Project over the useful life of such Project.

(t) Sovereign Immunity. The District either has no immunity from the jurisdiction of any court of competent jurisdiction or from any legal process therein which could be asserted in any action to enforce the obligations of the District under any of the Related Documents to which the District is a party or the transactions contemplated hereby or thereby, including the obligations of the District hereunder and thereunder, or, to the extent that the District has such immunity, the District has waived such immunity pursuant to Section 17(n) (*Affirmative Covenants of the District – Immunity*).

(u) Taxes; No Federal Debt. The District has paid all applicable taxes and other material taxes and assessments payable by it that have become due (other than those taxes or assessments that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP). The District has no delinquent federal debt (including tax liabilities but excluding any delinquencies that have been resolved with the appropriate federal agency in accordance with the standards of the Debt Collection Improvement Act of 1996).

(v) No Lobbying. Pursuant to 31 U.S.C. § 1352, to the best of the District’s knowledge and belief, (i) no Federal appropriated funds have been paid or will be paid, by or on behalf of the District, to any Person for influencing or attempting to influence an officer or employee of an agency, a member (or employee of a member), officer, or employee of the Congress, in connection with the making of any WIFIA Loan, execution (including amendments or modifications) of any WIFIA Loan Document, or any other federal action under 31 U.S.C. § 1352(a)(2); and (ii) if any funds other than Federal appropriated funds have been paid or will be paid to any Person for influencing or attempting to influence an officer or employee of any agency, a member (or employee of a member), officer, or employee of the Congress in connection with any WIFIA Loan, the District has completed and submitted to the WIFIA Lender Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

(w) Existing Obligations. As of the Effective Date, except as set forth in **Schedule 12(u)** (*Existing Water System Indebtedness*), no Obligations of the District are Outstanding.

(x) Senior Obligations. (i) The only Outstanding Obligations that are senior to the WIFIA Loan are the Senior Obligations and no other Obligations senior to the WIFIA Loan are permitted or will be incurred (except for Refunding Senior Obligations issued in accordance herewith) and (ii) no Senior Project Obligations exist and no proceeds from the Senior Obligations have been used to pay any Total Project Costs.

#### Section 14. Representations and Warranties of WIFIA Lender.

The WIFIA Lender represents and warrants that:

(a) Power and Authority. The WIFIA Lender has all requisite power and authority to make each WIFIA Loan and to perform all transactions contemplated by the Related Documents to which it is a party.

(b) Due Execution; Enforceability. The Related Documents to which it is a party have been duly authorized, executed and delivered by the WIFIA Lender, and are legally valid and binding agreements of the WIFIA Lender, enforceable in accordance with their terms.

(c) Officers' Authorization. The officers of the WIFIA Lender executing each of the Related Documents to which the WIFIA Lender is a party are duly and properly in office and fully authorized to execute the same on behalf of the WIFIA Lender.

## **ARTICLE V COVENANTS**

Section 15. Affirmative Covenants of the Borrower. The Borrower covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower, unless the WIFIA Lender waives compliance in writing:

(a) Securing Liens. The Borrower shall at any and all times, to the extent permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable in connection with assuring, conveying, granting, assigning, securing and confirming the Liens on the Borrower Revenues (whether now existing or hereafter arising) and the Borrower's rights with respect to the WIFIA Debt Service Account granted to the WIFIA Lender for its benefit pursuant to the WIFIA Loan Documents to which the Borrower is a party, or intended so to be granted pursuant to the WIFIA Loan Documents to which the Borrower is a party, or which the Borrower may become bound to grant, and the Borrower shall at all times maintain the Borrower Revenues and its rights with respect to the WIFIA Debt Service Account free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto other than the Liens with respect to the WIFIA Loans, and all organizational, regulatory or other necessary action on the part of the Borrower to that end shall be duly and validly taken at all times. The Borrower shall at all times, to the extent permitted by law, defend, preserve and protect the Liens on the Borrower Revenues granted pursuant to the WIFIA Loan Documents and for the benefit of the WIFIA Lender under the WIFIA Loan Documents against all claims and demands of all Persons whomsoever.

(b) Use of Proceeds. The Borrower shall use, and shall cause the District pursuant to the relevant WIFIA IPA to use, the proceeds of each WIFIA Loan solely for purposes permitted by this Agreement and the relevant WIFIA Loan Agreement.

(c) Verification Requirements. The Borrower shall comply with Subpart C of 2 C.F.R. Part 180, as supplemented by Subpart C of 2 C.F.R. Part 1532 (relating to debarment), including the verification requirements set forth in 2 C.F.R. §§ 180.300 and 180.320, and shall include in its contracts with respect to each Project similar terms or requirements for compliance.

(d) Operation of the Borrower. The Borrower shall at all times do or cause to be done all things necessary to obtain, preserve, renew, extend and keep in full force and effect the

(f) Compliance with Laws. The Borrower shall comply with all applicable laws, rules, regulations and requirements.

(g) Material Obligations; Payment of Claims.

(i) The Borrower shall pay its material obligations with respect to the Water System promptly and in accordance with their terms.

(ii) The Borrower shall pay and discharge promptly all taxes, assessments and governmental charges or levies imposed upon it or upon the Borrower Revenues, before the same shall become delinquent or in default; provided that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy, claim or Lien so long as the validity or amount thereof shall be contested by the Borrower in good faith by appropriate proceedings and so long as the Borrower shall have set aside adequate reserves with respect thereto in accordance with and to the extent required by GAAP, applied on a consistent basis.

(iii) The Borrower shall pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a Lien on the Borrower Revenues.

(h) Immunity. To the fullest extent permitted by applicable law, the Borrower agrees that it shall not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the Borrower under this Agreement or any other WIFIA Loan Document to which the Borrower is a party.

(i) Accounting and Audit Procedures.

(i) The Borrower shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for Borrower Revenues, debt issued and outstanding and debt payments. The Borrower shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the WIFIA Loans, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts Outstanding.

(ii) The Borrower (or the District on behalf of the Borrower) shall have a single or program-specific audit conducted in accordance with 2 C.F.R. Part 200 Subpart F and 31 U.S.C. § 7502 from (and including) the first Borrower Fiscal Year in which a disbursement is made under the initial WIFIA Loan Agreement and annually thereafter to the extent required by applicable law, except to the extent biennial audits are permitted for the Borrower pursuant to 2 C.F.R. § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the Borrower (or the District on behalf of the Borrower) shall cooperate fully in the conduct of any periodic or compliance audits conducted by the WIFIA Lender, or designees thereof, pursuant to 40 C.F.R. Part 35, 31 U.S.C. §

7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the WIFIA Loans, to the WIFIA Lender, or the designee thereof, for any such project or programmatic audit.

(j) Access; Records.

(i) So long as any WIFIA Loan or any portion thereof shall remain outstanding and until five (5) years after such WIFIA Loan shall have been paid in full, the WIFIA Lender shall have the right, upon reasonable prior notice, to examine books of account and records of the Borrower relating to the relevant Project, to make copies and extracts therefrom at the District's expense, and to discuss the Borrower's affairs, finances and accounts relating to such WIFIA Loan with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the Borrower irrevocably authorizes its independent public accountants to discuss with the WIFIA Lender the affairs, finances and accounts of the Borrower, whether or not any representative of the Borrower is present, it being understood that nothing contained in this Section 15(j) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the WIFIA Lender may request.

(ii) The Borrower shall maintain and retain all pertinent files relating to the WIFIA Loans, as may be necessary for the WIFIA Lender to facilitate an effective and accurate audit and performance evaluation of the Master Program, until five (5) years after the later of the date on which (A) all rights and duties under this Agreement and under the WIFIA Loan Agreements and the corresponding WIFIA Notes (including payments) have been fulfilled and any required audits have been performed and (B) any litigation relating to the Master Program, the WIFIA Loans, this Agreement or the WIFIA Loan Agreements is finally resolved or, if the WIFIA Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the WIFIA Lender and the Borrower.

(k) Compliance with Contracts. The Borrower shall comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all contracts affecting or involving the Water System (including the Master Program), to the extent that the Borrower is a party thereto.

(l) Further Assurances. The Borrower shall adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and of the WIFIA Loan Agreements and for the better assuring and confirming unto the WIFIA Lender the rights and benefits provided to it herein and in the WIFIA Loan Agreements.

Section 16. Negative Covenants of the Borrower. The Borrower covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower, unless the WIFIA Lender waives compliance in writing:

(a) No Lien Extinguishment or Adverse Amendments. The Borrower shall not, and shall not permit any Person to, without the prior written consent of the WIFIA Lender, (i) extinguish or impair the Liens on the Borrower Revenues or the Borrower's rights with respect to the WIFIA Debt Service Account granted pursuant to this Agreement, (ii) amend, modify, terminate, assign, replace or supplement, or permit a waiver of any provision of, any WIFIA IPA, (iii) amend, modify, replace or supplement any Related Document to which the Borrower is a party (other than any WIFIA IPA) or permit a waiver of any provision thereof in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to result in a Borrower Material Adverse Effect, or (iv) terminate or assign any Related Document to which the Borrower is a party (other than any WIFIA IPA) in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to have a Borrower Material Adverse Effect. The Borrower shall not take or omit to take any action under any contract if the effect of such act or failure to act would in any manner impair or adversely affect the ability of the District to secure adequate Water Revenues to meet the requirements of the WIFIA Loan Documents.

(b) No Prohibited Liens. Except for the Liens with respect to the WIFIA Loans for the benefit of the WIFIA Lender, the Borrower shall not create, incur, assume or permit to exist any Lien on the Borrower Revenues or its rights with respect to the WIFIA Debt Service Account.

(c) Borrower Fiscal Year. The Borrower shall not at any time adopt any fiscal year other than the Borrower Fiscal Year, except with thirty (30) days' prior written notice to the WIFIA Lender.

(d) Hedging. The Borrower shall not enter into any swap or hedging transaction that is speculative or creates extraordinary leverage or risk, without the prior written consent of the WIFIA Lender.

Section 17. Affirmative Covenants of the District. The District covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower and the District under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower and the District in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower or the District, unless the WIFIA Lender waives compliance in writing:

(a) Rate Covenant.

(i) The District, to the fullest extent permitted by law, shall, at all times, fix, prescribe and collect Water Revenues for Water Service which shall be at least sufficient to yield during each District Fiscal Year Net Water Revenues equal to one hundred ten percent (110%) of Debt Service and one hundred percent (100%) of Policy Costs (the "**Rate Covenant**").

(ii) For the purpose of computing the amount of Net Water Revenues for any District Fiscal Year under the Rate Covenant described above, (i) amounts transferred from the Water Revenue Fund to the Rate Stabilization Fund during such District Fiscal Year shall be included and (ii) amounts transferred from the Rate Stabilization Fund to the Water Revenue Fund shall not exceed ten percent (10%) of Debt Service payable in the applicable District Fiscal Year;

provided that no amounts transferred to or from the Rate Stabilization Funding during such District Fiscal Year shall be double-counted for purposes of such computation.

(iii) In accordance with Section 6.13 (*Collection of Rates and Charges*) of each WIFIA IPA, the District will have in effect at all times by-laws, rules and regulations requiring each customer to pay the rates and charges applicable to the Water Service and providing for the billing thereof and for a due date and a delinquency date for each bill.

(b) Securing Liens. The District shall at any and all times, to the extent permitted by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable in connection with assuring, conveying, granting, assigning, securing and confirming the Liens on the Pledged Collateral (whether now existing or hereafter arising) granted to the Borrower for its benefit pursuant to each WIFIA IPA, or intended so to be granted pursuant to each WIFIA IPA, or which the District may become bound to grant, and the District shall at all times maintain the Pledged Collateral free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto that has priority over, or equal rank with, the Liens created by such WIFIA IPA, other than as permitted by this Agreement, the relevant WIFIA Loan Agreement and such WIFIA IPA, and all organizational, regulatory or other necessary action on the part of the District to that end shall be duly and validly taken at all times. The District shall at all times, to the extent permitted by law, defend, preserve and protect the Liens on the Pledged Collateral granted for the benefit of the Borrower pursuant to each WIFIA IPA against all claims and demands of all Persons whomsoever, subject to Permitted Liens.

(c) Use of Proceeds. The District shall use the proceeds of each WIFIA Loan solely for purposes permitted by applicable law, the relevant WIFIA IPA and the other Related Documents to which the District is a party.

(d) Prosecution of Work; Verification Requirements.

(i) The District, as agent of the Borrower pursuant to each WIFIA IPA, shall diligently prosecute the work relating to, and complete, each Project in accordance with the Construction Schedule for such Project, the Governmental Approvals in connection with such Project, and the highest standards of the District's industry.

(ii) The District shall comply with Subpart C of 2 C.F.R. Part 180, as supplemented by Subpart C of 2 C.F.R. Part 1532 (relating to debarment), including the verification requirements set forth in 2 C.F.R. §§ 180.300 and 180.320, and shall include in its contracts with respect to each Project similar terms or requirements for compliance.

(e) Maintenance and Operation of the Water System. The District shall maintain and preserve the Projects and the Water System in good repair and working order at all times, operate the Project and the Water System in an efficient and economical manner and substantially in accordance with its maintenance and operation plan (that incorporates the Master Program) and pay all Operation and Maintenance Costs as they become due and payable. The District shall at all times do or cause to be done all things necessary to obtain, preserve, renew, extend and keep in

full force and effect the Governmental Approvals and any other rights, licenses, franchises, and authorizations material to the conduct of its business.

(f) Insurance; Eminent Domain; Net Proceeds.

(i) Insurance; Net Proceeds.

(A) The District shall procure and maintain or cause to be procured and maintained insurance on the Water System with responsible insurers in such amounts and against such risks (including accident to or destruction of the Water System) as are usually covered in connection with facilities that are similar to the Water System so long as such insurance is available from reputable insurance companies at reasonable rates.

(B) The District shall procure and maintain such other insurance which it shall deem advisable or necessary to protect its interests and the interests of the Borrower, which insurance shall afford protection in such amounts and against such risks as are usually covered in connection with municipal facilities similar to the Water System.

(C) Any insurance required to be maintained by Section 17(f)(i)(A) and Section 17(f)(i)(B) above may be maintained under a self-insurance program so long as such self-insurance is maintained in the amounts and manner usually maintained in connection with facilities, properties, structures and works similar to the Water System and is, in the opinion of an accredited actuary, actuarially sound.

(D) Except for any self-insurance, the District shall cause (1) all liability insurance policies that it maintains (excluding property damage, automobile or workers' compensation insurance), to reflect the WIFIA Lender as an additional insured to the extent of its insurable interest and (2) all required insurance policies to provide that the Borrower shall be given thirty (30) days' prior written notice of any intended cancellation thereof or reduction of coverage provided thereby (and promptly upon receipt of such notice, the Borrower shall deliver to the WIFIA Lender a copy of such notice).

(E) Promptly upon request by the WIFIA Lender, the District shall deliver to the WIFIA Lender certificates of insurance and copies of any underlying insurance policies obtained by or on behalf of the Borrower or the District in respect of Master Program or, as applicable, a letter of self-insurance. All such insurance policies shall be available at all reasonable times for inspection by the WIFIA Lender, its agents and representatives.

(F) In the event of any damage to or destruction of the Water System caused by the perils covered by any insurance on the Water System, the Net Proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the Water System. The District shall begin such reconstruction, repair or replacement promptly after such damage or destruction shall occur, shall continue and properly complete such reconstruction, repair or replacement as expeditiously as possible, and shall pay out of such Net Proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the Water System shall be free and clear of all claims and Liens.

(G) If such Net Proceeds exceed the costs of such reconstruction, repair or replacement portion of the Water System, and/or the cost of the construction of additions, betterments, extensions or improvements to the Water System, then the excess Net Proceeds shall be applied in part to the prepayment of each WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and in part to such other funds or accounts as may be appropriate and used for the retirement of the Obligations (other than the WIFIA Loans) in the same proportion which the Outstanding WIFIA Loan Balance for such WIFIA Loan then bears to the aggregate unpaid principal amount of the Obligations (other than the WIFIA Loans). If such Net Proceeds are sufficient to enable the District to retire the entire Outstanding WIFIA Loan Balance (and all interest accrued thereon) for each WIFIA Loan prior to the Final Maturity Date of such WIFIA Loan as well as all Obligations then remaining unpaid prior to their final respective due dates, the District may elect not to reconstruct, repair or replace the damaged or destroyed portion of the Water System, and thereupon such Net Proceeds shall be applied to the prepayment in full of such WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and to the retirement in full of all Obligations.

(ii) Eminent Domain; Net Proceeds. If all or any part of the Water System shall be taken by eminent domain proceedings, the Net Proceeds thereof shall be applied as follows:

(A) If (1) the District files with the Borrower and the WIFIA Lender a certificate showing (x) the estimated loss of annual Net Water Revenues, if any, suffered or to be suffered by the District by reason of such eminent domain proceedings, (y) a general description of the additions, betterments, extensions or improvements to the Water System proposed to be acquired and constructed by the District from such Net Proceeds, and (z) an estimate of the additional annual Net Water Revenues to be derived from such additions, betterments, extensions or improvements, and (2) the District, on the basis of such certificate filed with the Borrower and the WIFIA Lender, determines that the estimated additional annual Net Water Revenues will sufficiently offset the estimated loss of annual Net Water Revenues resulting from such eminent domain proceedings so that the ability of the District to meet its obligations hereunder will not be substantially impaired (which determination shall be final and conclusive), then the District shall promptly proceed with the acquisition and construction of such additions, betterments, extensions or improvements substantially in accordance with such certificate and such Net Proceeds shall be applied for the payment of the costs of such acquisition and construction, and any balance of such Net Proceeds not required by the District for such purpose shall be deposited in the Water Revenue Fund.

(B) If any of the conditions set forth in Section 17(s)(i) above are not met, then such Net Proceeds shall be applied by the District in part to the prepayment of the WIFIA Loan as provided in Section 9(a) (*Prepayment – Mandatory Prepayment from Insurance Proceeds or Eminent Domain Proceeds*) and in part to such other funds or accounts as may be appropriate and used for the retirement of the Obligations (other than the WIFIA Loan) in the same proportion which the Outstanding WIFIA Loan Balance then bears to the aggregate unpaid principal amount of the Obligations (other than the WIFIA Loan).

(g) Maintain Legal Structure. The District shall maintain its existence as an irrigation district organized and existing under its Organizational Documents and the laws of the State.

(h) Water Revenue Fund; Permitted Investments.

(i) The District shall maintain the Water Revenue Fund in accordance with the terms hereof and the other WIFIA Loan Documents. All Water Revenues received shall be deposited in the Water Revenue Fund when and as received in trust for the benefit of the holders of the Obligations, subject to the application of Water Revenues in accordance with Section 5.2 (*Allocation of Water Revenues*) of each WIFIA IPA. The District shall maintain and hold separate and apart from other funds the Water Revenue Fund so long as any Obligations remain unpaid. Moneys in the Water Revenue Fund shall be used and applied by the District as provided in the Flow of Funds.

(ii) All moneys held by the District in the Water Revenue Fund shall be invested in Permitted Investments and the investment earnings thereon shall remain on deposit in such fund, except as otherwise provided herein.

(i) WIFIA Debt Service Account. The District, as agent of the Borrower pursuant to each WIFIA IPA, shall (i) establish the “WIFIA Debt Service Account” on or prior to the Effective Date and (ii) maintain the WIFIA Debt Service Account in accordance with such WIFIA IPA for the benefit of the Borrower. The WIFIA Debt Service Account shall be subject to a Lien and has been pledged by the District under such WIFIA IPA to the Borrower as security solely for the benefit of the Borrower and shall not be subject to any security interest in favor of any Person other than the Borrower. Amounts on deposit in the WIFIA Debt Service Account shall be applied by the District, as agent of the Borrower pursuant to such WIFIA IPA, solely to pay WIFIA Debt Service and other amounts due with respect to the applicable WIFIA Loan or WIFIA Note.

(j) Compliance with Laws.

(i) The District shall, and shall require the contractors and subcontractors at all tiers with respect to the Master Program to, comply with all applicable laws, rules, regulations and requirements, including 40 U.S.C. §§3141-3144, 3146, and 3147 (relating to Davis-Bacon Act requirements) (and regulations relating thereto), 33 U.S.C. §3914 (relating to American iron and steel products), 20 C.F.R. § 180.320 and 20 C.F.R. §1532 (relating to non-debarment), 31 U.S.C. §1352 (relating to non-lobbying), and any applicable Sanctions Laws.

(ii) To ensure such compliance, the District shall include in all contracts with respect to the Master Program (A) the contract clauses relating to the Davis-Bacon Act requirements that are set forth in the Code of Federal Regulations, Title 29 Part 5.5 and (B) requirements that its contractors (1) shall comply with all applicable laws, rules, regulations, and requirements set forth in this Section 17(j) and follow applicable federal guidance and (2) incorporate in all subcontracts (and cause all subcontractors to include in lower tier subcontracts) such terms and conditions as are required to be incorporated therein by any applicable laws, rules, regulations and requirements set forth in this Section 17(j) (including with respect to the Davis-Bacon Act requirements).

(k) Material Obligations; Payment of Claims.

(i) The District shall pay its material obligations with respect to the Water System promptly and in accordance with their terms.

(ii) The District shall pay and discharge promptly all taxes, assessments and governmental charges or levies imposed upon it or upon the Pledged Collateral or other assets of the Water System (including the Master Program), before the same shall become delinquent or in default; provided that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy, claim or Lien so long as the validity or amount thereof shall be contested by the District in good faith by appropriate proceedings and so long as the District shall have set aside adequate reserves with respect thereto in accordance with and to the extent required by GAAP, applied on a consistent basis.

(iii) The District shall pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a Lien on the Water System (or any part thereof), the WIFIA Debt Service Account, the Master Program, the Pledged Collateral or any fund or account of the District pledged to pay the Obligations.

(l) SAM Registration. The District shall obtain prior to the Effective Date (and provide such registration information to the WIFIA Lender) and maintain through each Final Disbursement Date an active registration status with the federal System for Award Management (www.SAM.gov) (or any successor system or registry).

(m) Unique Entity Identifier. The District shall obtain prior to the Effective Date (and provide to the WIFIA Lender) and maintain through each Final Maturity Date a Unique Entity Identifier.

(n) Immunity. To the fullest extent permitted by applicable law, the District agrees that it shall not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the District under this Agreement or any other WIFIA Loan Document to which the District is a party.

(o) Accounting and Audit Procedures.

(i) The District shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for all of the following: (A) Water Revenues, and Operation and Maintenance Costs, and, with respect to the Water System, capital expenses, depreciation, reserves, debt issued and outstanding and debt payments; and (B) Project-related costs, WIFIA Loan requisitions submitted, WIFIA Loan proceeds received, payments made by the District, as an agent of the Borrower pursuant to each WIFIA IPA, with regard to the Projects, and other sources of funding for the Projects (including amounts paid from such sources for Project costs so that audits may be performed to ensure compliance with and enforcement of this Agreement and the WIFIA Loan Agreements). The District shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the WIFIA Installment Payments, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts Outstanding.

(ii) The District shall have a single or program-specific audit conducted in accordance with 2 C.F.R. Part 200 Subpart F and 31 U.S.C. § 7502 from (and including) the first District Fiscal Year in which a disbursement is made under the initial WIFIA Loan Agreement and

annually thereafter to the extent required by applicable law, except to the extent biennial audits are permitted for the District pursuant to 2 C.F.R. § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the District shall cooperate fully in the conduct of any periodic or compliance audits conducted by the WIFIA Lender, or designees thereof, pursuant to 40 C.F.R. Part 35, 31 U.S.C. § 7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the Master Program or the WIFIA Loans, to the WIFIA Lender, or the designee thereof, for any such project or programmatic audit.

(p) Access; Records.

(i) So long as any WIFIA Loan or any portion thereof shall remain outstanding and until five (5) years after such WIFIA Loan shall have been paid in full by the Borrower, the WIFIA Lender shall have the right, upon reasonable prior notice, to visit and inspect any portion of the relevant Project, to examine books of account and records of the District relating to such Project, to make copies and extracts therefrom at the District's expense, and to discuss the District's affairs, finances and accounts relating to such Project with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the District irrevocably authorizes its independent public accountants to discuss with the WIFIA Lender the affairs, finances and accounts of the District, whether or not any representative of the District is present, it being understood that nothing contained in this Section 17(p) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the WIFIA Lender may request. The District agrees to pay all out-of-pocket expenses incurred by the WIFIA Lender in connection with the WIFIA Lender's exercise of its rights under this Section 17(p) at any time when an Event of Default shall have occurred and be continuing.

(ii) The District shall maintain and retain all pertinent files relating to the Master Program and the WIFIA Loans, as may be necessary for the WIFIA Lender to facilitate an effective and accurate audit and performance evaluation of the Master Program, until five (5) years after the later of the date on which (A) all rights and duties of the District or the Borrower under this Agreement and under the WIFIA Loan Agreements and corresponding WIFIA Notes (including payments) have been fulfilled and any required audits have been performed and (B) any litigation relating to the Master Program, the WIFIA Loans, this Agreement or the WIFIA Loan Agreements is finally resolved or, if the WIFIA Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the WIFIA Lender and the District. The District shall provide to the WIFIA Lender in a timely manner all records and documentation relating to the Master Program that the WIFIA Lender may reasonably request from time to time.

(q) Compliance with Contracts. The District shall comply with, keep, observe and perform all agreements, conditions, covenants and terms, express or implied, required to be performed by it contained in all contracts affecting or involving the Water System (including the Master Program), to the extent that the District is a party thereto.

(r) Protection of Security and Rights of the Borrower. The District shall preserve and protect the security and the rights of the Borrower and the WIFIA Lender to the WIFIA Installment Payments and the WIFIA Debt Service Account under each WIFIA IPA and shall warrant and defend such rights against all claims and demands of all persons.

(s) WIFIA Reserve Fund.

(i) The District, as agent of the Borrower pursuant to the relevant WIFIA IPA, shall establish and hold in trust the WIFIA Reserve Fund. The District shall cause the Reserve Policy or cash in amount sufficient to satisfy the Reserve Requirement (as defined in the relevant WIFIA IPA) to be deposited in the WIFIA Reserve Fund and such WIFIA Reserve Fund shall be funded in amount sufficient to satisfy such Reserve Requirement at all times. The WIFIA Lender shall have the ability to draw upon the Reserve Policy in accordance with the Reserve Policy Agreement (as defined in the relevant WIFIA IPA).

(ii) Each Reserve Policy shall be insured by a Reserve Insurer with at least an 'A+' rating.

(iii) If at any time a Reserve Insurer's rating drops below 'A+', then the District shall, within sixty (60) calendar days of such Reserve Insurer's rating dropping below 'A+', either replace the Reserve Policy with a Reserve Insurer with at least an 'A+' rating or deposit cash in the WIFIA Reserve Fund, in each case in an amount sufficient to satisfy the Reserve Requirement (as defined in the relevant WIFIA IPA).

(t) Further Assurances. The District will adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and of the WIFIA Loan Agreements and WIFIA IPAs and for the better assuring and confirming unto the WIFIA Lender the rights and benefits provided to it herein and in the WIFIA Loan Agreements and WIFIA IPAs.

Section 18. Negative Covenants of the District. The District covenants and agrees as follows until the date each WIFIA Note and all of the obligations of the Borrower and the District under this Agreement and each WIFIA Loan Agreement (other than contingent indemnity obligations to the extent applicable) are irrevocably paid in full by the Borrower and the District in immediately available funds and the WIFIA Lender no longer has any commitment to make disbursements to the Borrower or the District, unless the WIFIA Lender waives compliance in writing:

(a) Indebtedness.

(i) The District shall not create, incur or suffer to exist (A) any Additional Senior Obligations (provided that Refunding Senior Obligations may be issued for the purpose of refunding any Senior Obligations then Outstanding so long as the issuance of such Refunding Senior Obligations shall not result in (1) an extension of the final maturity date of the Senior Obligations to be refunded or (2) an increase in annual debt service in any year by more than five percent (5%)); (B) any Obligations, all or a portion of the proceeds of which are or will be applied at any time to fund all or any portion of Total Project Costs of any Project, that are secured by a Lien on any assets or property of the District other than the Pledged Collateral; (C) any Obligations, all or a portion of the proceeds of which are or will be applied at any time to fund any purchase, construction, condemnation, acquisition or expansion of the Water System, that are secured by a Lien on the Pledged Collateral or payable from the Pledged Collateral except in either case, Parity Obligations, or obligations so secured on a basis subordinate to the Parity Obligations; or (D) any Senior Project Obligations. While an Event of Default relating to a Payment Default

or a Bankruptcy Related Event has occurred and is continuing, the District shall not incur any indebtedness of any kind payable from, secured or supported by the Pledged Collateral without the prior written consent of the WIFIA Lender.

(b) Additional Parity Obligations. The District may incur Additional Parity Obligations in accordance with the terms of this Agreement; provided that:

(i) the Net Water Revenues for the last audited District Fiscal Year, or for any consecutive twelve (12) calendar month-period during the eighteen (18) calendar month-period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such District Fiscal Year or other twelve (12) month-period;

(ii) the Net Water Revenues for the last audited District Fiscal Year, or for any consecutive twelve (12) calendar month-period during the eighteen (18) calendar-month period preceding the date of adoption by the Board of Directors of the District of the resolution authorizing the issuance of such Bonds or the date of the execution of such Contract, as the case may be, including adjustments to give effect as of the first day of such District Fiscal Year or other twelve (12) month-period, to increases or decreases in rates and charges with respect, or applicable, to the Water System approved and in effect as of the date of calculation, as evidenced by a special report prepared by an Independent Certified Public Accountant or Independent Municipal Consultant on file with the District, shall have produced a sum equal to at least one hundred ten percent (110%) of the Debt Service and one hundred percent (100%) of any Policy Costs for such District Fiscal Year or other twelve (12) month-period, plus the Debt Service which would have accrued on any Contracts executed or Bonds issued since the end of such District Fiscal Year or other twelve (12) month-period, assuming that such Contracts had been executed or Bonds had been issued at the beginning of such District Fiscal Year or other twelve (12) month-period, plus the Debt Service which would have accrued had such proposed additional Contract been executed or proposed additional Bonds been issued at the beginning of such District Fiscal Year or other twelve (12) month-period; and

(iii) the estimated Net Water Revenues for the then current District Fiscal Year and for each District Fiscal Year thereafter, including (after giving effect to the completion of all such uncompleted improvements to the Water System) an allowance for estimated Net Water Revenues for each of such District Fiscal Years arising from any increase in the rates and charges estimated to be fixed and prescribed or received for the Water Service and which are economically feasible and reasonably considered necessary based on projected operations for a period of not to exceed five (5) years, as evidenced by a certificate of the Manager on file with the District, shall produce a sum equal to at least one hundred ten percent (110%) of the estimated Debt Service and one hundred percent (100%) of any estimated Policy Costs for each of such District Fiscal Years, after giving effect to the execution of all Contracts and the issuance of all Bonds estimated to be required to be executed or issued to pay the costs of completing all uncompleted improvements to the Water System within such District Fiscal Years.

For the purpose of computing the amount of Net Water Revenues for any District Fiscal Year under the Additional Parity Obligations test described in Section 18(b) above, the amount of Water Revenues yielding Net Water Revenues may be increased by Budgeted Transfers (excluding amounts transferred from the Water Revenue Fund to the Rate Stabilization Fund) (measured as of the last day of the immediately preceding District Fiscal Year), such amount to be no greater than ten percent (10%) of Debt Service payable in the applicable District Fiscal Year.

(c) Notwithstanding the foregoing but subject to no Event of Default at such issuance or execution being uncured, Bonds issued or Contracts executed, on a parity basis with the WIFIA Installment Payments due under each WIFIA IPA, to refund Bonds or prepay Contracts may be delivered without satisfying the conditions set forth above if Debt Service in each District Fiscal Year after the District Fiscal Year in which such Bonds are issued or Contracts are executed is not greater than one hundred ten (110%) of the Debt Service which would have been payable in each such District Fiscal Year prior to the issuance of such Bonds or execution of such Contracts.

(d) No Lien Extinguishment or Adverse Amendments. The District shall not, and shall not permit any Person to, without the prior written consent of the WIFIA Lender, (i) extinguish the Rate Covenant, (ii) extinguish or impair the Liens on the Pledged Collateral granted pursuant to any WIFIA IPA, (iii) amend, modify, terminate, assign, replace or supplement, or permit a waiver of any provision of, any WIFIA IPA, (iv) amend, modify, replace or supplement any Related Document to which the District is a party (other than any WIFIA IPA) or permit a waiver of any provision thereof in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to result in a Material Adverse Effect, or (v) terminate or assign any Related Document to which the District is a party in a manner that could adversely affect the WIFIA Lender or could reasonably be expected to have a Material Adverse Effect. The District shall not take or omit to take any action under any contract if the effect of such act or failure to act would in any manner impair or adversely affect the ability of the District to secure adequate Water Revenues to meet the requirements of the WIFIA IPAs.

(e) No Prohibited Liens. Except for Permitted Liens, the District shall not create, incur, assume or permit to exist any Lien on the Water System, the Projects, the Pledged Collateral, or the District's respective rights therein.

(f) Restricted Payments and Transfers. The District shall not permit Water Revenues or any funds in any other fund or account held by or on behalf of the District with respect to the Water System, to be paid or transferred or otherwise applied for purposes that would violate the terms of Section 5.2 (*Allocation of Water Revenues*) of the WIFIA IPAs.

(g) District Fiscal Year. The District shall not at any time adopt any fiscal year other than the District Fiscal Year, except with thirty (30) days' prior written notice to the WIFIA Lender.

(h) Hedging. The District shall not enter into any swap or hedging transaction that is speculative or creates extraordinary leverage or risk, without the prior written consent of the WIFIA Lender.

(i) Against Sale or Other Disposition of Property. The District shall not sell, lease or otherwise dispose of the Water System or any part thereof essential to the proper operation of the Water System or to the maintenance of the Water Revenues, and shall not enter into any agreement or lease which impairs the operation of the Water System or any part thereof necessary to secure adequate Water Revenues to meet the requirements of each WIFIA IPA, or which would otherwise impair the rights of the Borrower under each WIFIA IPA or the operation of the Water System. Any real or personal property which has become nonoperative or which is not needed for the efficient and proper operation of the Water System, or any material or equipment which has become worn out, may be sold if (i) such sale will not reduce the Net Water Revenues below the requirements to be maintained under Section 17(a) (*Affirmative Covenants of the District – Rate Covenant*), (ii) such sale will not impair the ability of the District to pay the WIFIA Installment Payments, and (iii) if the proceeds of such sale are deposited in the Water Revenue Fund. Nothing herein shall restrict the ability of the District to sell any portion of the Water System if such portion is immediately repurchased by the District and if such arrangement cannot by its terms result in the purchaser of such portion of the Water System exercising any remedy which would deprive the District of or otherwise interfere with its right to own and operate such portion of the Water System.

(j) Against Competitive Facilities. The District shall not, to the extent permitted by law, acquire, construct, complete, maintain or operate and shall not, to the extent permitted by law and within the scope of its powers, permit any other public or private agency, corporation, district or political subdivision or any person whomsoever to acquire, construct, complete, maintain or operate within the District any facilities competitive with the Water System.

#### Section 19. Reporting Requirements of the Borrower.

(a) Annual Financial Statements. The Borrower shall deliver to the WIFIA Lender, as soon as available, and within one hundred eighty (180) days after the end of each Borrower Fiscal Year (provided that the failure of the Borrower to furnish the documents required by this Section 19(a) within such one hundred eighty (180)-day period shall not constitute a Default or an Event of Default hereunder or under the WIFIA Loan Agreements so long as the Borrower furnishes to the WIFIA Lender such documents within ninety (90) days after the end of such period; provided further that the parties agree that delivering the documents required by this Section 19(a) within such additional ninety (90)-day period shall not, in and of itself, constitute a default under this Agreement or the WIFIA Loan Agreements, an event of acceleration under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a termination event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a modification of terms with respect to this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, or other similar event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes reflecting financial difficulties), a copy of the audited Borrower Financial Statements as of the end of such Borrower Fiscal Year, (i) setting forth in each case in comparative form the figures for the previous fiscal year, (ii) certified without qualification or exception, or qualification as to the scope of the audit, by an independent public accounting firm selected by the Borrower and (iii) which shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein (except for changes approved or required by the independent public accountants certifying such statements and disclosed therein); provided that

the delivery of such audited Borrower Financial Statements can be accomplished through the posting of such document on EMMA under the WIFIA CUSIP Number.

(b) Notices.

(i) The Borrower shall, within fifteen (15) days after it learns of the occurrence, give the WIFIA Lender notice of any of the following events or receipt of any of the following notices, as applicable, setting forth details of such event (provided that the Borrower shall not be obligated to provide such notice to the WIFIA Lender if notice of such event has already been provided to the WIFIA Lender by the District):

(A) Defaults; Events of Default: any Default or Event of Default;

(B) Litigation: (1) the filing of any litigation, suit or action, or the commencement of any proceeding, against the Borrower before any arbitrator, Governmental Authority, alternative dispute resolution body, or other neutral third-party, or the receipt by the Borrower in writing of any threat of litigation, suit, action, or proceeding, or of any written claim against the Borrower that, in each case, could reasonably be expected to have a Borrower Material Adverse Effect, and any material changes in the status of such litigation, suit, action or claim, and (2) any judgments against the Borrower that could reasonably be expected to have a Borrower Material Adverse Effect, either individually or in the aggregate;

(C) Amendments: except as otherwise agreed by the WIFIA Lender in writing, copies of fully executed amendments, modifications, replacements or supplements to any Related Document to which the Borrower is a party within ten (10) days following execution thereof; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(D) Related Document Defaults: any material breach or default or event of default on the part of the Borrower or any other party under any Related Document to which the Borrower is a party; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(F) Issuance of Indebtedness: copies of any final issuing instrument (together with any continuing disclosure documents, ordinances, official statement, certifications or cash flow projections in connection therewith), prepared in connection with the incurrence of any indebtedness; provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(G) Postings on EMMA: the posting of any document of the Borrower on EMMA in accordance with the requirements of any continuing disclosure agreement or similar document relating to annual financial information and operating data and the reporting of

significant events; provided that such notice can be accomplished through the posting of the relevant document on EMMA under the WIFIA CUSIP Number; and

(H) Other Adverse Events: the occurrence of any other event or condition that could reasonably be expected to result in a Material Adverse Effect.

(ii) Within thirty (30) calendar days after the Borrower learns of the occurrence of an event specified in clause (i) above (other than sub-clauses (C) (*Amendments*), (F) (*Issuance of Indebtedness*) or (G) (*Postings on EMMA*)), the Borrower's Authorized Representative shall provide a statement to the WIFIA Lender setting forth the actions the Borrower proposes to take with respect thereto; provided that the Borrower shall not be required to provide such information if and to the extent such information has been provided by the District. The Borrower shall also provide the WIFIA Lender with any further information reasonably requested by the WIFIA Lender from time to time concerning the matters described in clause (i) above.

(c) Requested Information. The Borrower shall, at any time while any WIFIA Loan remains outstanding, promptly deliver to the WIFIA Lender such additional information regarding the business, financial, legal or organizational affairs of the Borrower or the Borrower Revenues as the WIFIA Lender may from time to time reasonably request. The Borrower agrees that the delivery of any documents or information under and pursuant to this Agreement shall not be construed as compliance with, or affect in any manner, any obligations of the Borrower under any other contracts, agreements, decrees, Governmental Approvals, or other documents with EPA (other than the WIFIA Loan Documents) or the Government.

#### Section 20. Reporting Requirements of the District.

(a) Updated Financial Model/Plan. The District shall provide to the WIFIA Lender not later than one hundred eighty (180) days after the end of each District Fiscal Year, an Updated Financial Model/Plan; provided that the failure of the District to deliver to the WIFIA Lender an Updated Financial Model/Plan required under this subsection (a) during the period that is one hundred eighty (180) days after the end of the applicable District Fiscal Year shall not constitute a Default or an Event of Default so long as the District provides such Updated Financial Model/Plan within ninety (90) days after the end of such period. The Updated Financial Model/Plan shall reflect the District's reasonable expectations, using assumptions that the District believes to be reasonable, and include: (i) the District's capital improvement plan, major maintenance plan, projected rates and charges, projected debt outstanding and annual debt service, projected Water Revenues, projected Borrower Revenues, and projected Operation and Maintenance Costs for a reasonable projection period consistent with the District's operating and financial planning and demonstrating that the District has developed and identified adequate revenues to implement a plan for operating, maintaining, and repairing the Water System (including the Master Program); (ii) evidence of compliance with the Rate Covenant for the most recent District Fiscal Year for which the District Financial Statements are available and the projected debt service coverage ratios (including projected Rate Covenant coverages) through the Forecast Period; and (iii) a written narrative identifying any material changes to the underlying assumptions from the previous Updated Financial Model/Plan.

(b) Annual Financial Statements. The District shall deliver to the WIFIA Lender, as soon as available, and within one hundred eighty (180) days after the end of each District Fiscal Year (provided that the failure of the District to furnish the documents required by this Section 20(b) within such one hundred eighty (180)-day period shall not constitute a Default or an Event of Default hereunder or under the WIFIA Loan Agreements so long as the District furnishes to the WIFIA Lender such documents within ninety (90) days after the end of such period; provided further that the parties agree that delivering the documents required by this Section 20(b) within such additional ninety (90)-day period shall not, in and of itself, constitute a default under this Agreement or the WIFIA Loan Agreements, an event of acceleration under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a termination event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, a modification of terms with respect to this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes, or other similar event under this Agreement, the WIFIA Loan Agreements, the WIFIA Loans, or the WIFIA Notes reflecting financial difficulties), a copy of the audited District Financial Statements as of the end of such District Fiscal Year, (i) setting forth in each case in comparative form the figures for the previous fiscal year, (ii) certified without qualification or exception, or qualification as to the scope of the audit, by an independent public accounting firm selected by the District and (iii) which shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein (except for changes approved or required by the independent public accountants certifying such statements and disclosed therein); provided that the delivery of such audited District Financial Statements can be accomplished through the posting of such document on EMMA under the WIFIA CUSIP Number.

(c) Construction Reporting.

(i) Construction Monitoring. The WIFIA Lender shall have the right in its sole discretion to monitor (or direct its agents to monitor) the development of the Master Program, including environmental compliance, design/planning, completion and construction of the Projects. The District shall be responsible for administering design/planning and construction oversight of each Project in accordance with applicable federal, state and local governmental requirements. The District agrees to cooperate in good faith with the WIFIA Lender in the conduct of such monitoring by promptly providing the WIFIA Lender with any Construction Contracts (together with any related contracts, side letters or other understandings) and such reports, documentation or other information as shall be requested by the WIFIA Lender or its agents, including any independent engineer reports, documentation or information.

(ii) Construction Monitoring Report. During the period beginning from the first quarter following bid advertisement of the first Construction Contract entered into for each Project, through and until Substantial Completion of such Project, the District shall furnish to the WIFIA Lender, on a quarterly basis, a Construction Monitoring Report for such Project in substantially the form attached hereto as **Exhibit H** (*Form of Construction Monitoring Report*). Each Construction Monitoring Report shall be delivered to the WIFIA Lender within thirty (30) days of the end of each such quarter (or if such day is not a Business Day, on the next following Business Day). If the then-current projection for the Substantial Completion Date of any Project is a date later than the Projected Substantial Completion Date of such Project, the District shall provide in such Construction Monitoring Report a description in reasonable detail to the reasonable

satisfaction of the WIFIA Lender of the reasons for such projected delay or difference. The Projected Substantial Completion Date for such Project shall automatically be adjusted to the new date specified by the District in such Construction Monitoring Report unless the WIFIA Lender objects to the adjustment in writing to the District within sixty (60) days following receipt of such Construction Monitoring Report on the basis that such report does not demonstrate the matters specified in this paragraph.

(iii) Quarterly Certification of Eligible Project Costs. With respect to any Project, if requested by the WIFIA Lender (on a basis not more frequently than quarterly), the District shall submit to the WIFIA Lender, concurrently with the delivery of the relevant Construction Monitoring Report, a certificate in the form of **Exhibit C** (*Form of Certification of Eligible Project Costs Documentation*), signed by the District's Authorized Representative and attaching Eligible Project Costs Documentation as applicable. If there are no applicable Eligible Project Costs for such quarter for such Project, the District may notify the WIFIA Lender by written confirmation of the same by email in accordance with Section 36 (*Notices*). Within sixty (60) days following the receipt of such certificate and accompanying Eligible Project Costs Documentation (if applicable), the WIFIA Lender shall notify the District confirming (A) which Eligible Project Costs set forth in the certification have been approved or denied (and, if denied, the reasons therefor) and (B) the cumulative amount of Eligible Project Costs that have been approved as of the date of such notice. Any such approved amounts of Eligible Project Costs shall then be deemed to be available for disbursement at such time as the District submits a Requisition in respect of such approved amounts in accordance with Section 4 (*Disbursement Conditions*).

(iv) Final Specifications. The District shall deliver to the WIFIA Lender, prior to bid advertisement for each Project (including each sub-project or component, if applicable), a copy of the final specifications relating to the development and construction of such Project (or such sub-project or component, as the case may be), demonstrating compliance with all applicable federal requirements, and including a summary of the scope of work thereunder. For the avoidance of doubt, no prior consent or approval by the WIFIA Lender shall be required for the District to proceed with such bid advertisement and the relevant procurement for the development and construction of such Project.

(d) Public Benefits Report. With respect to each Project, the District shall deliver to the WIFIA Lender a report, in the form of **Exhibit I** (*Form of Public Benefits Report*) (the "**Public Benefits Report**"), (i) prior to the applicable WIFIA Loan Agreement Effective Date, (ii) within ninety (90) days following the applicable Substantial Completion Date and (iii) within ninety (90) days following the fifth (5th) anniversary of such Substantial Completion Date. The District agrees that information described under this Section 20(d) may be made publicly available by the WIFIA Lender at its discretion.

(e) Operations and Maintenance. The WIFIA Lender shall have the right, in its sole discretion, to monitor (or direct its agents to monitor) each Project's operations and, as the WIFIA Lender may request from time to time, to receive reporting on the operation and management of each Project, and copies of any contracts relating to the operation and maintenance of each Project. The District agrees to cooperate in good faith with the WIFIA Lender in the conduct of such monitoring by promptly providing the WIFIA Lender with such reports, documentation, or other

information requested by the WIFIA Lender. The WIFIA Lender has the right, in its sole discretion, to retain such consultants or advisors, to carry out the provisions of this Section 20(e).

(f) Notices.

(i) The District shall, within fifteen (15) days after it learns of the occurrence, give the WIFIA Lender notice of any of the following events or receipt of any of the following notices, as applicable, setting forth details of such event (provided that the District shall not be obligated to provide such notice to the WIFIA Lender if notice of such event has already been provided to the WIFIA Lender by the Borrower):

(D) Delayed Governmental Approvals: any failure to receive or delay in receiving any Governmental Approval or making any required filing, notice, recordation or other demonstration to or with a Governmental Authority, in each case to the extent such failure or delay will or could reasonably be expected to result in a delay to any major milestone date (including any Projected Substantial Completion Date) set forth in any Construction Schedule, together with a written explanation of the reasons for such failure or delay and the District's plans to remedy or mitigate the effects of such failure or delay;

(E) Environmental Notices: any material notice of violation or material change in finding under any Environmental Law related to the Master Program or any material changes to the NEPA Determination;

(J) 2 C.F.R. § 180.350 Notices: any notification required pursuant to 2 C.F.R. § 180.350, whether attributable to a failure by the District to disclose information previously required to have been disclosed or due to the District or any of the District's principals meeting any of the criteria set forth in 2 C.F.R. § 180.335;

(K) SAM; Unique Entity Identifier: any change in the District's SAM registration status (including any exclusions, expiration or inactive registration) or Unique Entity Identifier (including any expiration or change in effectiveness); provided that such notice can be accomplished through the posting of the relevant document on EMMA under the WIFIA CUSIP Number;

(L) Issuance of Obligations: copies of any final issuing instrument (together with any continuing disclosure documents, ordinances, official statement, certifications or cash flow projections in connection therewith), prepared in connection with the incurrence of any Additional Obligations (including any Variable Interest Rate Obligations); provided that such notice can be accomplished through the posting of the relevant documents on EMMA under the WIFIA CUSIP Number;

(ii) Within thirty (30) calendar days after the District learns of the occurrence of an event specified in clause (i) above (other than sub-clauses (A) (*Substantial Completion*), (F) (*Amendments*), (I) (*Rating Changes*) (in the case of a rating upgrade), (L) (*Issuance of Obligations*) or (M) (*Amendments to Policies*)), the District's Authorized Representative shall provide a statement to the WIFIA Lender setting forth the actions the District proposes to take with respect thereto. The District shall also provide the WIFIA Lender with any further information reasonably

requested by the WIFIA Lender from time to time concerning the matters described in clause (i) above.

(g) Requested Information. The District shall, at any time while the WIFIA Loan remains outstanding, promptly deliver to the WIFIA Lender such additional information regarding the business, financial, legal or organizational affairs of the District or regarding the Water System (including the Master Program) or the Pledged Collateral as the WIFIA Lender may from time to time reasonably request. The District agrees that the delivery of any documents or information under and pursuant to this Agreement shall not be construed as compliance with, or affect in any manner, any obligations of the District under any other contracts, agreements, decrees, Governmental Approvals, or other documents with EPA (other than the WIFIA Loan Documents) or the Government.

## ARTICLE VI EVENTS OF DEFAULT

### Section 21. Events of Default and Remedies.

(a) A “**Borrower Event of Default**” shall exist under this Agreement and each WIFIA Loan Agreement if any of the following occurs; provided that any event described in Section 21(a)(vii) (*Events of Default and Remedies – Additional Borrower Events of Default*) shall be a Borrower Event of Default solely under the WIFIA Loan Agreement for the relevant Project to which such event relates and not under this Agreement or any other WIFIA Loan Agreement:

(i) Borrower Payment Default. The Borrower shall fail to (A) pay when due any part of the principal amount of or interest on any WIFIA Loan (including WIFIA Debt Service required to have been paid pursuant to the provisions of Section 8 (*Payment of Principal and Interest*)) or (B) make any mandatory prepayment required pursuant to the provisions of Section 9 (*Prepayment*), in each case, when and as the payment thereof shall be required under this Agreement, any WIFIA Loan Agreement or any WIFIA Note or on any Final Maturity Date (each such failure, a “**Borrower Payment Default**”).

(ii) Borrower Covenant Default. The Borrower shall fail to observe or perform any covenant, agreement or obligation of the Borrower under this Agreement, any WIFIA Loan Agreement, any WIFIA Note or any other WIFIA Loan Document to which the Borrower is a party (other than in the case of any Borrower Payment Default), and such failure shall not be cured within thirty (30) days after the earlier to occur of (A) receipt by the Borrower from the WIFIA Lender of written notice thereof or (B) the Borrower’s knowledge of such failure; provided that if such failure is capable of cure but cannot reasonably be cured within such thirty (30)-day cure period, then no Borrower Event of Default shall be deemed to have occurred or be continuing under this Section 21(a)(ii), and such thirty (30)-day cure period shall be extended by up to one hundred fifty (150) additional days, if and so long as (x) within such thirty (30)-day cure period the Borrower shall commence actions reasonably designed to cure such failure and shall diligently pursue such actions until such failure is cured and (y) such failure is cured within one hundred eighty (180) days of the date specified in either (A) or (B) above, as applicable.

(iii) Borrower Misrepresentation Default. Any of the representations, warranties or certifications of the Borrower made in or delivered pursuant to any WIFIA Loan Document to which the Borrower is a party (or in any certificates delivered by the Borrower in connection with any WIFIA Loan Document to which the Borrower is a party) shall prove to have been false or misleading in any material respect when made or deemed made (or any representation and warranty or certification that is subject to a materiality qualifier shall prove to have been false or misleading in any respect); provided that no Borrower Event of Default shall be deemed to have occurred under this Section 21(a)(iii) if and so long as (A) such misrepresentation is not intentional, (B) such misrepresentation is not a misrepresentation in respect of Section 12(h) (*Representations and Warranties of the Borrower – No Debarment*), or Section 12(j) (*Representations and Warranties of the Borrower – Compliance with Laws*), (C) in the reasonable determination of the WIFIA Lender, such misrepresentation has not had, and would not reasonably be expected to result in, a Borrower Material Adverse Effect, (D) in the reasonable determination of the WIFIA Lender, the underlying issue giving rise to the misrepresentation is capable of being cured and (E) the underlying issue giving rise to the misrepresentation is cured by the Borrower within thirty (30) days after the date on which the Borrower first became aware (or reasonably should have become aware) of such misrepresentation.

(iv) Borrower Material Adverse Judgment. Any final, non-appealable judgment related to the Borrower Revenues shall be entered against the Borrower which has a Material Adverse Effect.

(v) Occurrence of Borrower Bankruptcy Related Event. A Bankruptcy Related Event shall occur with respect to the Borrower.

(vi) Invalidity of WIFIA Loan Documents. (A) Any WIFIA Loan Document to which the Borrower is a party ceases to be in full force and effect (other than as a result of the termination thereof in accordance with its terms) or becomes void, voidable, illegal or unenforceable, or the Borrower contests in any manner the validity or enforceability of any WIFIA Loan Document to which it is a party or denies it has any further liability under any WIFIA Loan Document to which it is a party, or purports to revoke, terminate or rescind any WIFIA Loan Document to which it is a party; (B) this Agreement ceases to grant a valid and binding security interest on any material portion of the Borrower Revenues, other than as a result of actions or a failure to act by, and within the control of, the WIFIA Lender; or (C) any event occurs that results in the material impairment in the priority of (1) the Borrower's security interest in the Pledged Collateral or in the value of the Pledged Collateral, (2) the WIFIA Lender's security interest in the Borrower Revenues or in the value of the Borrower Revenues or (3) the Borrower's security interest in the WIFIA Debt Service Account or the assignment to the WIFIA Lender of the Borrower's rights thereto.

(vii) Additional Borrower Events of Default. Any additional Borrower Event of Default specified in a WIFIA Loan Agreement occurs.

(b) A “**District Event of Default**” shall exist under this Agreement and each WIFIA Loan Agreement if any of the following occurs; provided that any event described in Section 21(b)(ix) (*Events of Default and Remedies – Development Default*) or Section 21(b)(x) (*Events of Default and Remedies – Additional District Events of Default*) shall be a District Event of Default

solely under the WIFIA Loan Agreement for the relevant Project to which such event relates and not under this Agreement or any other WIFIA Loan Agreement:

(i) District Payment Default. (A) The District shall fail to pay when due any part of any WIFIA Installment Payment required to have been paid pursuant to the provisions of any WIFIA IPA or (B) the District, as agent of the Borrower pursuant to any WIFIA IPA, shall fail to make any mandatory prepayment required pursuant to the provisions of Section 9 (*Prepayment*) (each such failure, an “**District Payment Default**”).

(ii) District Covenant Default. The District shall fail to observe or perform any covenant, agreement or obligation of the District under this Agreement, any WIFIA Loan Agreement, any WIFIA IPA or any other WIFIA Loan Document to which the District is a party (other than in the case of any District Payment Default or any Development Default), and such failure shall not be cured within thirty (30) days after the earlier to occur of (A) receipt by the District from the WIFIA Lender of written notice thereof or (B) the District’s knowledge of such failure; provided that if such failure is capable of cure but cannot reasonably be cured within such thirty (30)-day cure period, then no Event of Default shall be deemed to have occurred or be continuing under this Section 21(b)(ii), and such thirty (30)-day cure period shall be extended by up to one hundred fifty (150) additional days, if and so long as (x) within such thirty (30)-day cure period the District shall commence actions reasonably designed to cure such failure and shall diligently pursue such actions until such failure is cured and (y) such failure is cured within one hundred eighty (180) days of the date specified in either (A) or (B) above, as applicable.

(iii) District Misrepresentation Default. In case any action or proceeding is brought against an Indemnitee by reason of any claim with respect to which such Indemnitee is entitled to indemnification hereunder, the Borrower and the District shall each be entitled, at its expense, to

participate in the defense thereof; provided that such Indemnitee has the right to retain its own counsel, at the expense of the Borrower or the District, as applicable, and such participation by the Borrower and/or the District in the defense thereof shall not release the Borrower or the District of any liability that it may have to such Indemnitee. Any Indemnitee against whom any indemnity claim contemplated in this Section 37 is made shall be entitled, after consultation with the Borrower and the District and upon consultation with legal counsel wherein such Indemnitee is advised that such indemnity claim is meritorious, to compromise or settle any such indemnity claim. Any such compromise or settlement shall be binding upon the Borrower and the District for purposes of this Section 37. Nothing herein shall be construed as a waiver of any legal immunity that may be available to any Indemnitee. To the extent permitted by applicable law, none of the Borrower, the District, or the WIFIA Lender shall assert, and the Borrower, the District, and the WIFIA Lender each hereby waives, any claim against any Indemnitee, the Borrower, or the District, respectively, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any of the other Related Documents, the other transactions contemplated hereby and thereby, the WIFIA Loans or the use of the proceeds thereof; provided that nothing in this sentence shall limit the Borrower's or the District's indemnity obligations to the extent such damages are included in any third party claim in connection with which an Indemnitee is entitled to indemnification hereunder. All amounts due to any Indemnitee under this Section 37 shall be payable promptly upon demand therefor. The obligations of the Borrower and the District under this Section 37 shall survive the payment or prepayment in full of any WIFIA Note pursuant to Section 8 (*Payment of Principal and Interest*) or Section 9 (*Prepayment*), the enforcement of any provision of this Agreement or the other Related Documents, any amendments, waivers (other than amendments or waivers in writing with respect to this Section 37) or consents in respect hereof or thereof, any Event of Default, and any workout, restructuring or similar arrangement of the obligations of the Borrower or the District hereunder or thereunder.

Section 38. Sale of WIFIA Loan. The WIFIA Lender shall not sell any WIFIA Loan at any time prior to the Substantial Completion Date of the Project relating to such WIFIA Loan. Neither the Borrower nor the District shall have any obligation to provide any disclosure, representation, warranty, estoppel, certificate, consent, agreement, approval, or other assistance to the WIFIA Lender or any proposed purchaser or assignee of any WIFIA Loan in connection with any proposed sale or assignment of such WIFIA Loan.

Capitalized terms used in this **Schedule 7(d)** shall have the respective meanings assigned to such terms in the WIFIA IPAs.

**“Section 5.2. Allocation of Water Revenues.** In order to carry out and effectuate the pledge and lien contained herein, the District agrees and covenants that all Water Revenues shall be received by the District in trust and shall be deposited when and as received in the “Water Revenue Fund” which fund the District has previously established and agrees and covenants to maintain and to hold separate and apart from other funds so long as any Installment Payments, Contracts or Bonds remain unpaid. Moneys in the Water Revenue Fund shall be used and applied by the District as provided in this WIFIA Installment Purchase Agreement.

The District shall, from the moneys in the Water Revenue Fund, pay all Operation and Maintenance Costs (including amounts reasonably required to be set aside in contingency reserves for Operation and Maintenance Costs, the payment of which is not then immediately required) as such Operation and Maintenance Costs become due and payable. All remaining moneys in the Water Revenue Fund shall be set aside by the District at the following times and amounts, in the following respective special funds and in the following order of priority, and all moneys in each of such funds shall be held in trust and shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section:

(a) Senior Obligations. On or before the payment of principal or interest is due with respect to any Senior Obligations, the District shall from moneys in the Water Revenue Fund, transfer to the applicable trustee or payee for deposit in the applicable payment fund, without preference or priority, and in the event of any insufficiency of such moneys ratably without discrimination or preference, the amount needed for payment on such Senior Obligations, in accordance with the provisions of such Senior Obligations.

(b) Senior Obligation Reserve Fund. On or before each payment date required pursuant to the provisions of any Contract or Bond that constitutes a Senior Obligation, or any resolution or indenture related thereto, the District shall, from the remaining moneys in the Water Revenue Fund, thereafter, without preference of priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, transfer to the applicable trustee for deposit to any reserve fund or account for such Bonds or Contracts the amount, if any, needed to increase the balance in such fund or account to the amount required to be deposited therein and to pay any Policy Costs then due.

(c) Subordinate Obligations. On or before each WIFIA Installment Payment Date, the District shall, from the moneys in the Water Revenue Fund, transfer to Trustee for deposit in the WIFIA Debt Service Account an amount equal to the WIFIA Installment Payment coming due on such WIFIA Installment Payment Date. The District shall also, from the moneys in the Water Revenue Fund, transfer to the applicable trustee or payee for deposit in the applicable

payment fund, without preference or priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, any other Debt Service or payments in accordance with the provisions of any Contract or Bond constituting a Subordinate Obligation, or any resolution or indenture relating thereto.

No deposit need be made in the WIFIA Debt Service Account as WIFIA Installment Payments if the amount in the WIFIA Debt Service Account is at least equal to the amount of the WIFIA Installment Payment due and payable on the next succeeding WIFIA Installment Payment Date.

(d) Subordinate Obligation Reserve Fund. On or before each payment date required pursuant to the provisions of any Contract or Bond constituting a Subordinate Obligation, or any resolution or indenture related thereto, the District shall, from the remaining moneys in the Water Revenue Fund, thereafter, without preference of priority, and in the event of any insufficiency of such moneys ratably without any discrimination or preference, transfer to the applicable trustee or appropriate party for deposit to any reserve fund or account for such Bonds or Contracts, including the WIFIA Reserve Fund, the amount, if any, needed to increase the balance in such fund or account to the amount required to be deposited therein and to pay any Policy Costs then due.

All capitalized terms used and not defined herein shall have the meanings set forth in the WIFIA Loan Agreement or, if not defined therein, the WIFIA Master Agreement.
