MEET PWD'S NEWEST BOARD DIRECTOR AT COFFEE EVENT ON JUNE 13

Palmdale, CA – Four months into her tenure as the newest member of the Palmdale Water District (PWD) Board of Directors, Cynthia Sanchez will be hosting her first coffee event from 9-11 a.m. Thursday, June 13, at Starbucks, 38135 47th Street East, Palmdale.

The community is invited to enjoy a free cup of Starbucks coffee, meet Director Sanchez and ask water-related questions. Coffee with a PWD Director events are held to give customers the opportunity to get to know their representatives in a casual environment. Attendees will receive limited Littlerock Dam 100th anniversary items.

"I am looking forward to having my first event to get to know people in our community," said Director Sanchez, a Kaiser Permanente nurse. "I have learned so much about water in my short time and feel ready to meet my constituents to answer their questions and help with concerns."

Director Sanchez was appointed by the Board this past February to fill a vacant seat. Her term expires in December.

The new Director has been in the healthcare industry for most of her career. She has spent the past 12 years working as a nurse at Kaiser Permanente in the Antelope Valley. After many years working in ophthalmology, she is currently assigned to podiatry.

Division 3 lies roughly between Avenue S to the north, Pearblossom Highway to the south, 70th Street to the east and 25th Street to the west.

Since 1918, the Palmdale Water District has provided high-quality water at a reasonable cost. We pride ourselves on providing great customer care; advocating for local water issues that help our residents; educating the community on water-use efficiency; and leading our region in researching and implementing emerging technologies that increase operational efficiency.
